E. AUTHORIZATION AND ACKNOWLEDGMENT

I hereby apply to be enrolled with my listed eligible dependent(s), if applicable, for coverage with SelectHealth. In connection with both this application and any plan coverage that may be obtained, I am acting as agent and/or as natural guardian for my dependent(s). Further, in dealing with SelectHealth, I appoint my employer to act as agent on behalf of myself and my dependent(s). I understand that coverage is dependent upon the satisfaction of applicable underwriting criteria and is subject to the terms and conditions of my employer's Group Health Insurance Contract with SelectHealth. I also understand no coverage will be in force until each person listed is approved by SelectHealth, that no benefits will be provided for any service that begins before coverage is effective, and that except as expressly provided in the Group Health Insurance Contract, benefits will not extend beyond the termination of either my coverage or the Group Health Insurance Contract. I represent that all information provided on this application is true and complete. I understand that omissions or intentional misrepresentations regarding information provided on this application could cause an otherwise covered service to be denied and/or void any coverage issued.

CONSENT AT ENROLLMENT. I understand that the Group Health Insurance Contract may limit the healthcare providers whose services will be covered. I understand that the Group Health Insurance Contract limits or excludes certain conditions or services to myself or others included on this application. I agree that to the extent I do not abide by the terms of the Group Health Insurance Contract, healthcare services I obtain may not be covered. If the Group Health Insurance Contract provides that contributions be made, I authorize my employer to deduct them from my pay.

I hereby declare that to the best of my knowledge and belief, the information given on this application, including the health information, is correctly recorded, true, and complete. If I subsequently become aware of information different from that provided on this application, I agree to provide that additional information promptly to SelectHealth.
