SelectHealth designed the HealthSaveSM plans to be in compliance with the requirements for a High-Deductible Health Plan (HDHP) under federal law (Section 223 of the Internal Revenue Code). However, SelectHealth makes no representations or warranties about the legal adequacy of this coverage as an Health Savings Account (HSA)-eligible plan. SelectHealth is not responsible for any issues relating to your use of the coverage in conjunction with an HSA including, without limitation, your compliance with the requirements of the Internal Revenue Code.

*HSA-qualified plans have a minimum deductible requirement. Some Cost-Share Reduction (CSR) plans do not meet that requirement.

HSA VENDOR

The SelectHealth preferred HSA vendor is HealthEquity[®]. An HSA will be established for you with HealthEquity if you choose an HDHP unless you opt out (see option below). An administrative fee is included in your premium whether or not you choose to use the preferred HSA vendor. As with most HSA vendors, a nominal fee will be charged if you choose to terminate the account once it has been established.
