Large Employer
Certificate of Coverage

Utah OOA Plus

SECTION 1 INTRODUCTION

1.1 This Certificate

This Certificate of Coverage describes the terms and conditions of the health insurance Benefits provided under your employer's Group Health Insurance Contract with SelectHealth, Inc. Please read it carefully and keep it for future reference. Technical terms are capitalized and described in Section 16 Definitions. Your Member Payment Summary, which contains a quick summary of the Benefits by category of service, is attached to and considered part of this Certificate.

1.2 SelectHealth

SelectHealth is an HMO licensed by the State of Utah. SelectHealth is affiliated with Intermountain Healthcare, but is a separate company. The Contract does not involve Intermountain Healthcare or any other affiliated Intermountain companies, or their officers or employees. Such companies are not responsible to you or any other Members for the obligations or actions of SelectHealth.

1.3 Managed Care

SelectHealth provides managed healthcare coverage. Such management necessarily limits some choices of Providers and Facilities. The management features and procedures are described by this Certificate. The Plan is intended to meet basic healthcare needs, but not necessarily to satisfy every healthcare need or every desire Members may have for Services.

1.4 Your Agreement

As a condition to enrollment and to receiving Benefits from SelectHealth, you (the Subscriber) and every other Member enrolled through your coverage (your Dependents) agree to the managed care features that are a part of the Plan in which you are enrolled and all of the other terms and conditions of this Certificate and the Contract.

1.5 No Vested Rights

You are only entitled to receive Benefits while the Contract is in effect and you, and your Dependents if applicable, are properly enrolled and recognized by SelectHealth as Members. You do not have any permanent or vested interest in any Benefits under the Plan. Benefits may change as the Contract is renewed or modified from year to year. Unless otherwise expressly stated in this Certificate, all Benefits end when the Contract ends.

1.6 Administration

SelectHealth establishes reasonable rules, regulations, policies, procedures, and protocols to help it in the administration of your Benefits. You are subject to these administrative practices when receiving Benefits, but they do not change the express provisions of this Certificate or the Contract.

1.7 Non-Assignment

Benefits are not assignable or transferable. Any attempted assignment or transfer by any Member of the right to receive payment from SelectHealth will be invalid unless approved in advance in writing by SelectHealth.

1.8 Notices

Any notice required of SelectHealth under the Contract will be sufficient if mailed to you at the address appearing on the records of SelectHealth. Notice to your Dependents will be sufficient if given to you. Any notice to SelectHealth will be sufficient if mailed to the principal office of SelectHealth. All required notices must be sent by at least first class mail.

1.9 Nondiscrimination

SelectHealth will not discriminate against any Member based on race, sex, religion, national origin, or any other basis forbidden by law. SelectHealth will not terminate or refuse to enroll any Member because of the health status or the healthcare needs of the Member or because he or she exercised any right under the SelectHealth complaint resolution system.

1.10 Questions

If you have questions about your Benefits, call Member Services at 800-538-5038, or visit selecthealth.org. Member Services can also provide you with a provider directory and information about Participating Providers, such as medical school attended, residency completed, and board certification status. SelectHealth offers foreign language assistance.

1.11 Benefit Changes

SelectHealth employees often respond to outside inquiries regarding coverage as part of their job responsibilities. These employees do not have the authority to extend or modify the Benefits provided by the Plan.

- a. In the event of a discrepancy between information given by a SelectHealth employee and the written terms of the Contract, the terms of the Contract will control.
- b. Any changes or modifications to Benefits must be provided in writing and signed by the president, vice president, or medical director of SelectHealth.
- c. Administrative errors will not invalidate Benefits otherwise in force or give rise to rights or Benefits not otherwise provided for by the Plan.

SECTION 2 ELIGIBILITY

2.1 General

Your employer decides, in consultation with SelectHealth, which categories of its employees, retirees, and their Dependents are Eligible for Benefits, and establishes the other Eligibility requirements of the Plan. These Eligibility requirements are described in this section and in the Group Application of the Contract. In order to become and remain a Member, you and your Dependents must continuously satisfy these requirements. No one, including your employer, may change, extend, expand, or waive the Eligibility requirements without first obtaining the advance, written approval of an officer of SelectHealth.

2.2 Subscriber Eligibility

You are Eligible for Benefits as set forth in the Group Application. During the Employer Waiting Period, you must work the specified minimum required hours except for paid time off and hours you do not work due to a medical condition, the receipt of healthcare, your health status or disability. SelectHealth may require payroll reports from your employer to verify the number of hours you have worked as well as documentation from you to verify hours that you did not work due to paid time off, a medical condition, the receipt of healthcare, your health status or disability.

2.3 Dependent Eligibility

Unless stated otherwise in the Group Application, your Dependents are:

2.3.1 Spouse

Your lawful spouse. Eligibility may not be established retroactively.

2.3.2 Children

The children (by birth or adoption, and children placed for adoption or under legal guardianship through testamentary appointment or court order, but not under temporary guardianship or guardianship for school residency purposes) of you or your lawful spouse, who are younger than age 26.

2.3.3 Disabled Children

Unmarried Dependent children who meet the Eligibility requirements in Subsection 2.3.2 may enroll or remain enrolled as Dependents after reaching age 26 as long as they:

- a. Are unable to engage in substantial gainful employment to the degree they can achieve economic independence due to medically determinable physical or mental impairment which can be expected to last for a continuous period of not less than 12 months or result in death;
- b. Are chiefly dependent upon you or your lawful spouse for support and maintenance since they reached age 26; and
- c. Have been continuously enrolled in some form of healthcare coverage, with no break in coverage of more than 63 days since the date they reached age 26.

SelectHealth may require you to provide proof of incapacity and dependency within 30 days of the Effective Date or the date the child reaches age 26 and annually after the two-year period following the child's 26th birthday.

2.3.4 Incarcerated Dependents

Despite otherwise qualifying as described above, a person incarcerated in a prison, jail, or other correctional facility is not a Dependent.

2.4 Court-Ordered Dependent Coverage

When you or your lawful spouse are required by a court or administrative order to provide health insurance coverage for a child, the child will be enrolled in your family coverage according to SelectHealth guidelines and only to the minimum extent required pursuant to U.C.A. § 31A-22-610 through 611, and 718. If you are not enrolled for coverage at the time the court or administrative order becomes effective, only you and the affected Dependent will be allowed to enroll for coverage. For more information about SelectHealth guidelines, please call Member Services.

2.4.1 Qualified Medical Child Support Order (QMCSO)

A QMCSO can be issued by a court of law or by a state or local child welfare agency. In order for the medical child support order to be qualified, the order must specify the following:

- a. Your name and last known mailing address (if any) and the name and mailing address of each alternate recipient covered by the order;
- b. A reasonable description of the type of coverage to be provided, or the manner in which the coverage will be determined; and
- c. The period to which the order applies.

2.4.2 National Medical Support Notice (NMSN)

An NMSN is a QMCSO issued by a state or local child welfare agency to withhold from your income any contributions required by the Plan to provide health insurance coverage for an Eligible child.

2.4.3 Eligibility and Enrollment

You and the Dependent child must be Eligible for coverage, unless specifically required otherwise by applicable law. You and/or the Dependent child will be enrolled without regard to an Annual Open Enrollment restriction and will be subject to applicable Employer Waiting Period requirements. SelectHealth will not recognize Dependent Eligibility for a former spouse as the result of a court order.

2.4.4 Duration of Coverage

Court-ordered coverage for a Dependent child will be provided to the age of 18.

SECTION 3 ENROLLMENT

3.1 General

You may enroll yourself and your Dependents in the Plan during the Initial Eligibility Period, under a Special Enrollment Right, or, if offered by your employer, during an Annual Open Enrollment.

You and your Dependents will not be considered enrolled until:

- a. All enrollment information is provided to SelectHealth; and
- b. The Premium has been paid to SelectHealth by your employer.

3.2 Enrollment Process

Unless separately agreed to in writing by SelectHealth and your employer, you must enroll on an Application accepted by SelectHealth. You and your Dependents are responsible for obtaining and submitting to SelectHealth evidence of Eligibility and all other information required by SelectHealth in the enrollment process. You enroll yourself and any Dependents by completing, signing, and submitting an Application and any other required enrollment materials to SelectHealth.

3.3 Effective Date of Coverage

Coverage for you and your Dependents will take effect as follows:

3.3.1 Annual Open Enrollment

Coverage elected during an Annual Open Enrollment will take effect on the day the Contract is effective.

3.3.2 Newly Eligible Employees

Coverage you elect as a newly Eligible employee will take effect as specified in the Group Application if SelectHealth receives a properly completed Application.

If you do not enroll in the Plan for yourself and/or your Dependents during the Initial Eligibility Period, you may not enroll until an Annual Open Enrollment unless you experience an event that creates a Special Enrollment Right.

3.3.3 Court or Administrative Order

When you or your lawful spouse are required by a court or administrative order to provide health insurance coverage for a child, the Effective Date of coverage will be the later of:

- a. The start date indicated in the order;
- b. The date any applicable Employer Waiting Period is satisfied; or
- c. The date SelectHealth receives the order.

3.4 Special Enrollment Rights

SelectHealth provides Special Enrollment Rights in the following circumstances:

3.4.1 Loss of Other Coverage

If you do not enroll in the Plan for yourself and/or your Dependents when initially Eligible, you may enroll at a time other than an Annual Open Enrollment if each of the following conditions are met:

- a. You initially declined to enroll in the Plan due to the existence of other health plan coverage;
- b. The loss of the other health plan coverage occurred because of a loss of eligibility (this Special Enrollment Right will not apply if the other coverage is lost due to nonpayment of Premiums). One exception to this rule exists: if a Dependent is enrolled on another group health plan and the Annual Open Enrollment periods of the two plans do not coincide, the Dependent may voluntarily drop coverage under their group health plan's open enrollment and a special enrollment period will be permitted under the Plan in order to avoid a gap in coverage; and

- c. You and/or your Dependents who lost the other coverage must enroll in the Plan within 31 days after the date the other coverage is lost.

Proof of loss of the other coverage (for example, a Certificate of Creditable Coverage) must be submitted to SelectHealth as soon as reasonably possible. Proof of loss of other coverage must be submitted before any Benefits will be paid.

Coverage of any Members properly enrolled under this Special Enrollment Right will be effective on the date the other coverage was lost.

3.4.2 New Dependents

If you are enrolled in the Plan (or are Eligible to be covered but previously declined to enroll), and gain a Dependent through marriage, birth, adoption, placement for adoption or placement under legal guardianship with you or your lawful spouse, then you may enroll the Dependents (and yourself, if applicable) in the Plan. In the case of birth, adoption or placement for adoption of a child, you may also enroll your Eligible spouse, even if he or she is not newly Eligible as a Dependent. However, this Special Enrollment Right is only available by enrolling within 31 days of the marriage, birth, adoption, placement for adoption or placement under legal guardianship (there is an exception for enrolling a newborn, adopted child, or child placed for adoption or under legal guardianship if enrolling the child does not change the Premium, as explained in Section 3.5 Enrolling a Newborn, Adopted Child, or Child Placed for Adoption or Under Legal Guardianship).

Coverage of any Members properly enrolled under this Special Enrollment Right will be effective:

- a. As of the date of marriage;
- b. As of the date of birth;
- c. If the child is less than 31 days old when adopted or placed for adoption, as of the date of birth; if the child is more than 31 days old when adopted or placed for adoption, as of the child's date of placement; or
- d. As of the later of:
 - i. The effective date of the guardianship court order or testamentary appointment; or

- ii. The date the guardianship court order or testamentary appointment is received by SelectHealth.

3.4.3 Qualification for a Subsidy Through Utah's Premium Partnership

You and/or your Eligible Dependents who qualify for a subsidy through the state Medicaid program to purchase health insurance may enroll in the Plan if application is made within 60 days of receiving written notification of eligibility for the subsidy. If you timely enroll, the Effective Date of coverage is the first of the month following date of enrollment.

3.4.4 Loss of Medicaid or CHIP Coverage

If you and/or your Eligible Dependents lose coverage under a Medicaid or CHIP plan due to loss of eligibility, you may enroll in the Plan if application is made within 60 days. If you enroll within 60 days, the Effective Date of coverage is the first day after your Medicaid or CHIP coverage ended.

3.4.5 As Required by State or Federal Law

SelectHealth will recognize other special enrollment rights as required by state or federal law.

3.5 Enrolling a Newborn, Adopted Child, or Child Placed for Adoption or Under Legal Guardianship

You must enroll your newborn, adopted child, child placed for adoption or child under legal guardianship according to the following requirements:

- a. If enrolling the child requires additional Premium, you must enroll the child within 31 days of the child's birth, adoption, or placement for adoption or under legal guardianship.
- b. If enrolling the child does not change the Premium, you must enroll the child within 31 days from the date SelectHealth mails notification that a claim for Services was received for the child.

If the child is not enrolled within these time frames, then you may not enroll the child until an Annual Open Enrollment or if you experience an event that creates a Special Enrollment Right.

If you lose Eligibility for coverage before the end of the applicable time frame listed in (a) or (b) above, you are still allowed to enroll the child within the applicable time frame. However, the child will only be covered from the moment of birth, adoption, placement for adoption or under legal guardianship until the date that you lost Eligibility for coverage.

3.6 Leave of Absence

If you are granted a temporary leave by your employer, you and any Dependents may continue to be enrolled with SelectHealth for up to the length of time specified in the Group Application, as long as the monthly Premiums for your coverage are paid to SelectHealth by your employer. Military personnel called into active duty will continue to be covered to the extent required by law. A leave of absence may not be treated retroactively as a termination of employment.

3.7 Family Medical Leave Act

If you are on a leave required by the Family Medical Leave Act (FMLA), SelectHealth will administer your coverage as follows:

- a. You and your enrolled Dependents may continue your coverage with SelectHealth to the minimum extent required by the FMLA as long as applicable Premiums continue to be paid to SelectHealth by your employer.
- b. If Premiums are not paid, your coverage will be terminated. Upon your return to work, you and any previously enrolled Dependents who are still Eligible will be prospectively reinstated if the applicable Premium for you is paid to SelectHealth by your employer within 30 days. SelectHealth will not be responsible for any claims incurred by you or your Dependents during this break in coverage.

Any non-FMLA leave of absence granted by your employer that could have been classified as FMLA leave will be considered by SelectHealth as an FMLA leave of absence.

SECTION 4 TERMINATION

4.1 Group Termination

Coverage under the Plan for you and your Dependents will terminate when the Contract terminates.

4.1.1 Termination by Employer

Your employer may terminate the Contract, with or without cause, by providing SelectHealth with written notice of termination not less than 30 days before the proposed termination date.

4.1.2 Termination of Employer Group by SelectHealth

SelectHealth may terminate the Contract for any of the following reasons:

- a. Nonpayment of applicable Premiums;
- b. Fraud or intentional misrepresentation of material fact to SelectHealth by your employer in any matter related to the Contract or the administration of the Plan;
- c. Your employer's coverage under the Contract is through an association and your employer terminates membership in the association;
- d. Your employer fails to satisfy the minimum group participation and/or employer contribution requirements of SelectHealth;
- e. No Members live, reside, or work in the Service Area;
- f. SelectHealth elects to discontinue offering a particular health benefit plan. If that happens, you will be given at least 90 days advance notice; or
- g. SelectHealth withdraws from the market and discontinues all of its health benefit plans. If that happens, you will be given at least 180 days advance notice.

4.2 Individual Termination

Your coverage under the Plan may terminate even though the Contract with your employer remains in force.

4.2.1 Termination Date

If you and/or your enrolled Dependents lose Eligibility, then coverage will terminate either on the date Eligibility is lost or the end of the month in which Eligibility is lost, as specified in the Group Application. However, when a Dependent child ceases to be a Dependent, coverage will terminate at the end of the month in which Dependent status is lost. When a loss of Eligibility is not reported in a timely fashion as required by the Contract, and federal or state law prevents SelectHealth from retroactively terminating coverage, SelectHealth has the discretion to determine the prospective date of termination. SelectHealth also has the discretion to determine the date of termination for Rescissions.

4.2.2 Fraud or Misrepresentation

- a. Made During Enrollment:
 - i. Coverage for you and/or your Dependents may be terminated or Rescinded during the two-year period after you enroll if you or they make an intentional misrepresentation of material fact in connection with insurability.
 - ii. Coverage for you and/or your Dependents may be terminated or Rescinded at any time if you or they make any fraudulent misrepresentation in connection with insurability.
 - iii. Please Note: If coverage is Rescinded as described above, the termination is retroactive to the Effective Date of coverage.

- b. Made After Enrollment: Coverage for you and/or your Dependents may be terminated or Rescinded if you or they commit fraud or make an intentional misrepresentation of material fact in connection with Benefits or Eligibility. At the discretion of SelectHealth, the Rescission may be effective retroactively to the date of the fraud or misrepresentation.
- c. If coverage for you or your Dependent is terminated or Rescinded for fraud or intentional misrepresentation of material fact, you or they are allowed to reenroll 12 months after the date of the termination, provided the Contract is still in force. You will be given notice of this provision at the time of termination.
- d. The termination from the Plan of a Dependent for cause does not necessarily affect your Eligibility or enrollment or the Eligibility or enrollment of your other Dependents.

4.2.3 Leaving the Service Area

Coverage for you and/or your Dependents terminates if you no longer live, work or reside in the Service Area.

4.2.4 Annual Open Enrollment

You can drop coverage for yourself and any Dependents during an Annual Open Enrollment.

4.2.5 Nonpayment of Premium or Contributions

SelectHealth may terminate coverage for you and/or your Dependents for nonpayment of applicable Premiums or contributions. Termination may be retroactive to the beginning of the period for which Premiums or contributions were not paid, and SelectHealth may recover from you and/or your Dependent(s) the amount of any Benefits you or they received during the period of lost coverage.

4.2.6 Court or Administrative Order

In cases of court or administrative orders that grant a divorce or annul/declare void a marriage, subject to SelectHealth policy, the effective date of the change will be the date the court or administrative order was signed by the court or administrative agency.

4.3 Member Receiving Treatment at Termination

All Benefits under the Plan terminate when the Contract terminates, including coverage for Members hospitalized or otherwise within a course of care or treatment. All Services received after the date of termination are the responsibility of the Member and not the responsibility of SelectHealth no matter when the condition arose and despite care or treatment anticipated or already in progress.

4.4 Reinstatement

Members terminated from coverage for cause may not be reinstated without the written approval of SelectHealth.

SECTION 5 CONTINUATION COVERAGE

If your coverage terminates, you or your enrolled Dependents may be entitled to continue and/or convert coverage. For detailed information about your rights and obligations under your Employer's Plan and under federal law, contact your employer.

5.1 COBRA or Utah mini-COBRA (Continuation Coverage)

You and/or your Dependents may have the right to temporarily continue your coverage under the Plan when coverage is lost due to certain events. The federal law that governs this right is called COBRA (the Consolidated Omnibus Budget Reconciliation Act of 1986) and generally applies to employers with 20 or more employees. For employers with fewer than 20 employees, Utah law provides for mini-COBRA coverage.

5.1.1 Employer's Obligation

Continuation Coverage is an employer obligation. SelectHealth is not the administrator of Continuation Coverage procedures and requirements. SelectHealth has contractually agreed to assist your employer in providing Continuation Coverage in certain circumstances. It is your employer's responsibility to do the following in a timely manner:

- a. Notify persons entitled to Continuation Coverage;
- b. Notify SelectHealth of such individuals; and
- c. Collect and submit to SelectHealth all applicable Premiums.

If the Contract is terminated, your Continuation Coverage with SelectHealth will terminate. Your employer is responsible for obtaining substitute coverage.

5.2 Minimum Extent

Continuation Coverage will only be provided for the minimum time and only to the minimum extent required by applicable federal law or pursuant to U.C.A. § 31A-22-722. SelectHealth will not provide Continuation Coverage if you, your Dependents, or your employer fails to strictly comply with all applicable notices and other requirements and deadlines.

SECTION 6 PROVIDERS/NETWORKS

6.1 Providers and Facilities

SelectHealth contracts with certain Providers and Facilities (known as Participating Providers and Participating Facilities) to provide Covered Services within the Service Area. Not all available Providers and Facilities and not all categories of Providers and Facilities are invited to contract with SelectHealth.

6.1.1 Participating Providers and Facilities

You receive a higher level of Benefits (known as Participating Benefits) when you obtain Covered Services from a Participating Provider or Facility. Refer to your Member Payment Summary for details.

6.1.2 Nonparticipating Providers and Facilities

In most cases, you receive a lower level of Benefits (known as Nonparticipating Benefits) when you obtain Covered Services from a Nonparticipating Provider or Facility. Refer to your Member Payment Summary for details.

6.1.3 Other Networks

For Services received in Idaho, you receive Participating Benefits when you use providers who are on the SelectHealth provider network in Idaho. For Services received outside of Idaho and Utah, you receive Participating Benefits when you use providers who are participating on the MultiPlan and PHCS networks.

6.2 Providers and Facilities not Agents/Employees of SelectHealth

Providers contract independently with SelectHealth or an affiliated network and are not agents or employees of SelectHealth. They are entitled and required to exercise independent professional medical judgment in providing Covered Services. SelectHealth and its affiliated network(s) make a reasonable effort to credential Participating Providers and Facilities, but do not guarantee the quality of Services rendered by Providers and Facilities or the outcomes of medical care or health-related Services. Providers and Facilities, not SelectHealth, are solely responsible for their actions, or failures to act, in providing Services to you.

Providers and Facilities are not authorized to speak on behalf of SelectHealth or to cause SelectHealth to be legally bound by what they say. A recommendation, order, or referral from a Provider or Facility, including Participating Providers and Facilities, does not guarantee coverage by SelectHealth.

Providers and Facilities do not have authority, either intentionally or unintentionally, to modify the terms and conditions of the Plan. Benefits are determined by the provisions of the Contract.

6.3 Payment

SelectHealth may pay Providers in one or more ways, such as discounted fee-for-service, capitation (fixed payment per Member per month), and payment of a year-end withhold.

6.3.1 Incentives

Some payment methods may encourage Providers to reduce unnecessary healthcare costs and efficiently utilize healthcare resources. No payment method is ever intended to encourage a Provider to limit Medically Necessary care.

6.3.2 Payments to Members

SelectHealth reserves the right to make payments directly to you or your Dependents instead of to Nonparticipating Providers and/or Facilities.

6.4 Provider/Patient Relationship

Providers and Facilities are responsible for establishing and maintaining appropriate Provider/patient relationships with you, and SelectHealth does not interfere with those relationships. SelectHealth is only involved in decisions about what Services will be covered and paid for by SelectHealth under the Plan. Decisions about your Services should be made between you and your Provider without reference to coverage under the Plan.

6.5 Continuity of Care

SelectHealth will provide you with 30 days' notice of Participating Provider termination if you or your Dependent is receiving ongoing care from that Provider. However, if SelectHealth does not receive adequate notice of a Provider termination, SelectHealth will notify you within 30 days of receiving notice that the Provider is no longer participating with SelectHealth.

If you or your Dependent is under the care of a Provider when participation changes, SelectHealth will continue to treat the Provider as a Participating Provider until the completion of the care (not to exceed 90 days), or until you or your Dependent is transferred to another Participating Provider, whichever occurs first. However, if you or your Dependent is receiving maternity care in the second or third trimester, you or they may continue such care through the first postpartum visit.

To continue care, the Participating Provider must not have been terminated by SelectHealth for quality reasons, remain in the Service Area, and agree to do all of the following:

- a. Accept the Allowed Amount as payment in full;
- b. Follow SelectHealth's Healthcare Management Program policies and procedures;
- c. Continue treating you and/or your Dependent; and
- d. Share information with SelectHealth regarding the treatment plan.

SECTION 7 ABOUT YOUR BENEFITS

7.1 General

You and your Dependents are entitled to receive Benefits while you are enrolled with SelectHealth and while the Contract is in effect. This section describes those Benefits in greater detail.

7.2 Member Payment Summary

Your Member Payment Summary lists variable information about your specific Plan. This includes information about Copay, Coinsurance, and/or Deductible requirements, Preauthorization requirements, visit limits, Limitations on the use of Nonparticipating Providers and Facilities, and expenses that do not count against your Out-of-Pocket Maximum.

7.3 Identification (ID) Cards

You will be given SelectHealth ID cards that will provide certain information about the Plan in which you are enrolled. Providers and Facilities may require the presentation of the ID card plus one other reliable form of identification as a condition to providing Services. The ID card does not guarantee Benefits.

If you or your enrolled Dependents permit the use of your ID card by any other person, the card will be confiscated by SelectHealth or by a Provider or Facility and all rights under the Plan will be immediately terminated for you and/or your Dependents.

7.4 Medical Necessity

To qualify for Benefits, Covered Services must be Medically Necessary. Medical Necessity is determined by the Medical Director of SelectHealth or another Physician designated by SelectHealth. A recommendation, order, or referral from a Provider or Facility, including Participating Providers and Facilities, does not guarantee Medical Necessity.

7.5 Benefit Changes

Your Benefits may change if the Contract changes. Your employer is responsible for providing at least 30 days advance written notice of such changes.

7.6 Calendar-Year or Plan-Year Basis

Your Member Payment Summary will indicate if your Benefits are calculated on a calendar-Year or plan-Year basis. Out-of-Pocket Maximums, Limitations, and Deductibles that are calculated on a calendar-Year basis start over each January 1st. Out-of-Pocket Maximums, Limitations, and Deductibles that are calculated on a plan-Year basis start over each Year on the renewal date of the Contract.

7.7 Lifetime Maximums

Your Member Payment Summary will specify any applicable Lifetime Maximums.

7.8 Two Benefit Levels

7.8.1 Participating Benefits

You receive a higher level of Benefits (known as Participating Benefits) when you obtain Covered Services from a Participating Provider or Facility. Participating Providers and Facilities have agreed to accept the Allowed Amount and will not bill you for Excess Charges.

7.8.2 Nonparticipating Benefits

In most cases, you receive a lower level of Benefits (known as Nonparticipating Benefits) when you obtain Covered Services from a Nonparticipating Provider or Facility; and some Services are not covered when received from a Nonparticipating Provider or Facility. Nonparticipating Providers or Facilities have not agreed to accept the Allowed Amount for Covered Services. When this occurs, you are responsible to pay for any charges that exceed the amount that SelectHealth pays for Covered Services. These fees are called Excess Charges, and they do not apply to your Out-of-Pocket Maximum.

7.9 Emergency Conditions

Participating Benefits apply to emergency room Services regardless of whether they are received at a Participating Facility or Nonparticipating Facility.

If you or your Dependent is hospitalized for an emergency:

- a. You or your representative must contact SelectHealth within two working days, or as soon as reasonably possible; and
- b. If you are in a Nonparticipating Facility, once the Emergency Condition has been stabilized, you may be asked to transfer to a Participating Facility in order to continue receiving Participating Benefits.

7.10 Urgent Conditions

Participating Benefits apply to Services received for Urgent Conditions rendered by a Participating Provider or Facility. Participating Benefits also apply to Services received for Urgent Conditions rendered by a Nonparticipating Provider or Facility more than 40 miles away from any Participating Provider or Facility.

SECTION 8 COVERED SERVICES

You and your Dependents are entitled to receive Benefits for Covered Services while you are enrolled with SelectHealth and while the Contract is in effect. This section describes those Covered Services (except for pharmacy Covered Services, which are separately described in Section 9 Prescription Drug Benefits). Certain Services must be Preauthorized; failure to obtain Preauthorization for these Services may result in a reduction or denial of Benefits. Refer to Section 11 Healthcare Management for a list of Services that must be Preauthorized.

Benefits are limited. Services must satisfy all of the requirements of the Contract to be covered by SelectHealth. For additional information affecting Covered Services, refer to your Member Payment Summary and Section 10 Limitations and Exclusions. In addition to this Certificate, you can find further information about your Benefits by doing any of the following:

- a. Log in to My Health at selecthealth.org/myhealth;
- b. Visit selecthealth.org;
- c. Refer to your Provider & Facility Directory; or
- d. Call Member Services at 800-538-5038.

8.1 Facility Services

8.1.1 Educational Training

8.1.2 Emergency Room (ER)

8.1.3 Inpatient Hospital

- a. Semiprivate room accommodations and other Hospital-related Services ordinarily furnished and billed by the Hospital.
- b. Private room accommodations in connection with a medical condition requiring isolation. If you choose a private room when a semiprivate room is available or isolation is not necessary, you are responsible for paying the difference between the Hospital's semiprivate room rate and the private room rate. However, you will not be responsible for the additional charge if the Hospital only provides private room accommodations or if a private room is the only room available.
- c. Intensive care unit.
- d. Preadmission testing.
- e. Short-term inpatient detoxification provided by a SelectHealth-approved treatment Facility for alcohol/drug dependency.
- f. Maternity/obstetrical Services.

8.1.4 Nutritional Therapy

Medical nutritional therapy Services are covered up to five visits per Year as a Preventive Service, regardless of diagnosis. Subsequent visits are covered as a medical Benefit.

Weight management as part of a program approved by SelectHealth is also covered once per year.

8.1.5 Outpatient Facility and Ambulatory Surgical Facility

Outpatient surgical and medical Services.

8.1.6 Skilled Nursing Facility

Only when Services cannot be provided adequately through a home health program.

8.1.7 Urgent Care Facility

8.2 Provider Services

8.2.1 After-Hours Visits

Office visits and minor surgery provided after the Provider's regular business hours.

8.2.2 Anesthesia

If administered in connection with otherwise Covered Services and by a Physician certified as an anesthesiologist or by a Certified Registered Nurse Anesthetist (CRNA) under the direct supervision of a Physician certified as an anesthesiologist.

General anesthesia is only covered when rendered in a Facility.

8.2.3 Dental Services

Only:

- a. When rendered to diagnose or treat medical complications of a dental procedure and administered under the direction of a medical Provider whose primary practice is not dentistry or oral surgery.
- b. When SelectHealth determines the following to be Medically Necessary:
 - i. Maxillary and/or mandibular procedures;
 - ii. Upper/lower jaw augmentation or reduction procedures, including developmental corrections or altering of vertical dimension;
 - iii. Orthognathic Services; or
 - iv. Services for Congenital Oligodontia/Anodontia.
- c. For repairs of physical damage to sound natural teeth, crowns, and the natural supporting structures surrounding teeth when:

SECTION 9 PRESCRIPTION DRUG BENEFITS

This section includes important information about how to use your Prescription Drug Benefits. Note: this section does not apply to you if your Member Payment Summary indicates that your Plan does not provide Prescription Drug Benefits.

9.1 Prescription Drug Benefit Resources

In addition to this Certificate, you can find additional information about your Pharmacy Benefits by doing any of the following:

- a. Log in to My Health at selecthealth.org/myhealth and use Pharmacy Tools;
- b. Visit selecthealth.org/pharmacy;
- c. Refer to your Provider & Facility Directory; or
- d. Call Member Services at 800-538-5038.

9.2 Use Participating Pharmacies

To get the most from your Prescription Drug Benefits, use a Participating Pharmacy and present your ID card when filling a prescription. SelectHealth contracts with pharmacy chains on a national basis and with independent pharmacies in Utah.

If you use a Nonparticipating Pharmacy, you must pay full price for the drug and submit to SelectHealth a Prescription Reimbursement Form with your itemized pharmacy receipt. If the drug is covered, you will be reimbursed the Allowed Amount minus your Copay/Coinsurance and/or Deductible.

9.3 Tiered Benefits

There are tiers (or levels) of covered prescriptions listed on your ID card and Member Payment Summary. This tiered Benefit allows you to choose the drugs that best meet your medical needs while encouraging you and your Provider to discuss treatment options and choose lower-tier drugs when therapeutically appropriate.

Drugs on each tier are selected by an expert panel of Physicians and pharmacists and may change periodically. To determine which tier a drug is assigned to, call Member Services or log in to My Health.

9.4 Filling Your Prescription

9.4.1 Copay/Coinsurance

You generally will be charged one Copay/Coinsurance per covered prescription up to a 30-day supply at a retail pharmacy. If your Provider prescribes a dose of a medication that is not available, you will be charged a Copay for each strength of the medication.

9.4.2 Quantity and Day Supply

Prescriptions are subject to SelectHealth quantity and day-supply Limitations that have been defined based upon FDA guidance or evidence-based literature. The most current information can be found by logging in to My Health.

9.4.3 Refills

Refills are allowed after 80 percent of the last refill has been used for a 30-day supply, and 50 percent for a 10-day supply. Some exceptions may apply; call Pharmacy Services for more information.

9.5 Generic Drug Substitution Required

Your Member Payment Summary will indicate if generic substitution is required. When generic substitution is required, if you purchase a brand-name drug instead of a Generic Drug, then you must pay the difference between the Allowed Amount for the Generic Drug and the Allowed Amount for the brand-name drug, plus your Copay/Coinsurance or Deductible. The difference in cost between the Generic Drug and brand-name drug will not apply to your pharmacy Deductible or Out-of-Pocket Maximum. Based upon clinical circumstances determined by the SelectHealth Pharmacy and Therapeutics Committee, some Prescription Drugs are excluded from this requirement.

9.6 Maintenance Drugs

SelectHealth offers a maintenance drug Benefit, allowing you to obtain a 90-day supply of certain drugs. This Benefit is available for maintenance drugs if you:

- a. Have been using the drug for at least one month;
- b. Expect to continue using the drug for the next year; and
- c. Have filled the drug at least once within the past six months.

Maintenance drugs are identified by the letter (M) on the Prescription Drug List. You have two options when filling prescriptions under the maintenance drug Benefit: (1) Retail90SM, which is available at certain retail pharmacies; and (2) mail order. Please refer to your Member Payment Summary or contact Member Services to verify if the 90-day maintenance drug Benefit is available on your Plan.

9.7 Preauthorization of Prescription Drugs

There are certain drugs that require Preauthorization by your Provider to be covered by SelectHealth. Prescription drugs that require Preauthorization are identified on the Prescription Drug List. The letters (PA) appear next to each drug that requires Preauthorization. Preauthorization is also required if the drug is prescribed in excess of the Plan limits (quantity, duration of use, maximum dose, etc.). The most current information can be found at the SelectHealth website.

To obtain Preauthorization for these drugs, please have your Provider call SelectHealth Pharmacy Services at 800-442-3129.

If your Provider prescribes a drug that requires Preauthorization, you should verify that Preauthorization has been obtained before purchasing the medication. You may still buy these drugs if they are not Preauthorized, but they will not be covered and you will have to pay the full price.

9.8 Step Therapy

Certain drugs require your Provider to first prescribe an alternative drug preferred by SelectHealth. The alternative drug is generally a more cost-effective therapy that does not compromise clinical quality. If your Provider feels that the alternative drug does not meet your needs, SelectHealth may cover the drug without step therapy if SelectHealth determines it is Medically Necessary.

Prescription drugs that require step therapy are identified on the Prescription Drug List at the end of this section. The letters (ST) appear next to each drug that requires step therapy.

9.9 Coordination of Benefits (COB)

If you have other health insurance that is your primary coverage, claims must be submitted first to your primary insurance carrier before being submitted to SelectHealth. In some circumstances, your secondary policy may pay a portion of your out-of-pocket expense. When you mail a secondary claim to SelectHealth, you must include a Prescription Reimbursement Form and the pharmacy receipt in order for SelectHealth to process your claim. In some circumstances, an Explanation of Benefits (EOB) from your primary carrier may also be required.

9.10 Inappropriate Prescription Practices

In the interest of safety for our Members, SelectHealth reserves the right to not cover certain prescription drugs.

- a. These drugs include:

 - ii. In a manner inconsistent with accepted medical practice; or
 - iii. For indications that are Experimental and/or Investigational.

This exclusion is subject to review by the SelectHealth Drug Utilization Panel and certification by a practicing clinician who is familiar with the drug and its appropriate use.

9.11 Prescription Drug Benefit Abuse

SelectHealth may limit the availability and filling of any Prescription Drug that is susceptible to abuse.

SelectHealth may require you to:

- a. Obtain prescriptions in limited dosages and supplies;
- b. Obtain prescriptions only from a specified Provider;
- c. Fill your prescriptions at a specified pharmacy;
- d. Participate in specified treatment for any underlying medical problem (such as a pain management program);
- e. Complete a drug treatment program; or
- f. Adhere to any other specified limitation or program designed to reduce or eliminate drug abuse or dependence.

If you seek to obtain drugs in amounts in excess of what is Medically Necessary, such as making repeated emergency room/urgent care visits to obtain drugs, SelectHealth may deny coverage of any medication susceptible of abuse.

SelectHealth may terminate you from coverage if you make an intentional misrepresentation of material fact in connection with obtaining or attempting to obtain drugs, such as by intentionally misrepresenting your condition, other medications, healthcare encounters, or other medically relevant information. At the discretion of SelectHealth, you may be permitted to retain your coverage if you comply with specified conditions.

9.12 Pharmacy Injectable Drugs and Specialty Medications

Injectable drugs and specialty medications must be provided by a Participating Provider unless otherwise approved in writing in advance by SelectHealth. Most drugs received in a Provider's office or Facility are covered by your medical Benefits. For more specific information, please contact Member Services.

9.13 Prescription Drug List (PDL)

The PDL is a list containing the most commonly prescribed drugs in their most common strengths and formulations. It is not a complete list of all drugs covered by your Formulary. Drugs not included on the PDL may be covered at reduced benefits, or not covered at all, by your Plan. Refer to Appendix A Prescription Drug List for the PDL.

9.14 Exceptions Process

If your Provider believes that you require a certain drug that is not on your Formulary, normally requires step therapy, or exceeds a Quantity Limit, he or she may request an exception through the Preauthorization process.

9.15 Prescriptions Dispensed in a Provider's Office

Prescriptions dispensed in a Provider's office are not covered unless expressly approved by SelectHealth.

9.16 Disclaimer

SelectHealth refers to many of the drugs in this Certificate by their respective trademarks. SelectHealth does not own these trademarks. SECTION 11 HEALTHCARE MANAGEMENT

SelectHealth works to manage costs while protecting the quality of care. The Healthcare Management Program reviews three aspects of medical care: appropriateness of the care setting, Medical Necessity, and appropriateness of Hospital lengths of stay. You benefit from this process because it reduces unnecessary medical expenses, enabling SelectHealth to maintain reasonable Premium rates. The Healthcare Management process takes several forms.

11.1 Preauthorization

Preauthorization is prior approval from SelectHealth for certain Services and is considered a Preservice Claim (refer to Section 12 Claims and Appeals). Preauthorization is not required when SelectHealth is your secondary plan. However, it is required for injectable drugs and inpatient services when Medicare is your primary insurance. Obtaining Preauthorization does not guarantee coverage. Your Benefits for the Preauthorized Services are subject to the Eligibility requirements, Limitations, Exclusions and all other provisions of the Plan.

11.1.1 Services Requiring Preauthorization

Preauthorization is required for the following major Services:

- a. All admissions to facilities, including rehabilitation, transitional care, skilled nursing, and all hospitalizations that are not for Urgent or Emergency Conditions;
- b. All nonroutine obstetrics admissions, maternity stays longer than two days for a normal delivery or longer than four days for a cesarean section, and deliveries outside of the Service Area;
- c. Home Healthcare, Hospice Care, and Private Duty Nursing;

11.1.2 Who is responsible for obtaining Preauthorization

Participating Providers and Facilities are responsible for obtaining Preauthorization on your behalf; however, you should verify that they have obtained Preauthorization prior to receiving Services.

You are responsible for obtaining Preauthorization when using a Nonparticipating Provider or Facility, or when obtaining cochlear implants or organ transplants.

11.1.3 How to request Preauthorization

If you need to request Preauthorization, call Member Services at 800-538-5038.

You should call SelectHealth as soon as you know you will be using a Nonparticipating Provider or Facility for any of the Services listed.

Preauthorization is valid for up to six months.

11.1.4 Penalties

When you are responsible to Preauthorize, Benefits may be reduced or denied if you do not Preauthorize certain Services. If reduced, the Allowed Amount will be cut by 50 percent and Benefits will apply to what remains according to regular Plan guidelines. You will be responsible for the 50 percent penalty, your Copay, Coinsurance, and Deductible, and you may be responsible for any amount that exceeds the Allowed Amount. Any amount you pay will not apply to the Out-of-Pocket Maximum. Failure to obtain Preauthorization of cochlear implants, organ transplants, or certain prescription drugs will result in the denial of Benefits.

11.1.5 Statement of Rights Under the Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under federal law, restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a Provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

11.2 Case Management

If you have certain serious or chronic conditions (such as spinal cord injuries, diabetes, asthma, or premature births), SelectHealth will work with you and your family, your Provider, and community resources to coordinate a comprehensive plan of care. This integrated approach helps you obtain appropriate care in cost-effective settings and reduces some of the burden that you and your family might otherwise face.

11.3 Benefit Exceptions

On a case-by-case basis, SelectHealth may extend or add Benefits that are not otherwise expressly covered or are limited by the Plan. In making this decision, SelectHealth will consider the medical appropriateness and cost effectiveness of the proposed exception.

When making such exceptions, SelectHealth reserves the right to specify the Providers, Facilities, and circumstances in which the additional care will be provided and to limit payment for additional Services to the amount SelectHealth would have paid had the Service been provided in accordance with the other provisions of the Plan. Benefits paid under this section are subject to all other Member payment obligations of the Plan such as Copays, Coinsurance, and Deductibles.

11.4 Second Opinions/Physical Examinations

After enrollment, SelectHealth has the right to request that you be examined by a mutually agreed upon Provider concerning a claim, a second opinion request, or a request for Preauthorization. SelectHealth will be responsible for paying for any such physical examination.

11.5 Medical Policies

SelectHealth has developed medical policies to serve as guidelines for coverage decisions. These guidelines detail when certain Services are considered Medically Necessary or Experimental and/or Investigational by SelectHealth. Medical policies do not supersede the express provisions of this Certificate. Some Plans may not provide coverage for certain Services discussed in medical policies. Coverage decisions are subject to all terms and conditions of the applicable Plan, including specific Exclusions and Limitations. Because medical policies are based on constantly changing science, they are periodically reviewed and updated by SelectHealth. For questions about the medical policies of SelectHealth, call Member Services at 800-538-5038.

SECTION 12 CLAIMS AND APPEALS

12.1 Administrative Consistency

SelectHealth will follow administrative processes and safeguards designed to ensure and to verify that Benefit claim determinations are made in accordance with the provisions of the Plan and that its provisions have been applied consistently with respect to similarly situated Claimants.

12.2 Claims and Appeals Definitions

This section uses the following additional (capitalized) defined terms:

12.2.1 Adverse Benefit Determination

Any of the following: a Rescission of coverage or a denial, reduction, or termination of a claim for Benefits, or a failure to provide or make payment for such a claim in whole or in part, including determinations related to a Claimant's Eligibility, the application of a review under SelectHealth Healthcare Management Program, and determinations that particular Services are Experimental and/or Investigational or not Medically Necessary or appropriate.

12.2.2 Appeal(s)

Review by SelectHealth of an Adverse Benefit Determination or the negative outcome of a Preservice Inquiry.

12.2.3 Authorized Representative

Someone you have designated to represent you in the claims or Appeals process. To designate an Authorized Representative, you must provide written authorization on a form provided by the Appeals Department or Member Services. However, where an Urgent Preservice Claim is involved, a healthcare professional with knowledge of the medical condition will be permitted to act as your Authorized Representative without a prior written authorization. In this section, the words you and your include your Authorized Representative.

12.2.4 Benefit Determination

The decision by SelectHealth regarding the acceptance or denial of a claim for Benefits.

12.2.5 Claimant

Any Subscriber or Member making a claim for Benefits. Claimants may file claims themselves or may act through an Authorized Representative. In this section, the words you and your are used interchangeably with Claimant.

12.2.6 Concurrent Care Decisions

Decisions by SelectHealth regarding coverage of an ongoing course of treatment that has been approved in advance.

12.2.7 External Review

A review by an outside entity, at no cost to the Member, of an Adverse Benefit Determination (including a Final Internal Adverse Benefit Determination).

12.2.8 Final Internal Adverse Benefit Determination

An Adverse Benefit Determination that has been upheld by SelectHealth at the completion of the mandatory Appeals process.

12.2.9 Independent Review Organization (IRO)

An entity that conducts independent External Reviews.

12.2.10 Postservice Appeal

A request to change an Adverse Benefit Determination for Services you have already received.

12.2.11 Postservice Claim

Any claim related to Services you have already received.

12.2.12 Preservice Appeal

A request to change an Adverse Benefit Determination on a Preservice Claim.

12.2.13 Preservice Claim

Any claim that requires approval prior to obtaining Services for you to receive full Benefits. For example, a request for Preauthorization under the Healthcare Management program is a Preservice Claim.

12.2.14 Preservice Inquiry

Your verbal or written inquiry to SelectHealth regarding the existence of coverage for proposed Services that do not involve a Preservice Claim, i.e., does not require prior approval for you to receive full Benefits. Preservice Inquiries are not claims and are not treated as Adverse Benefit Determinations.

12.2.15 Urgent Preservice Claim

Any Preservice Claim that, if subject to the normal timeframes for determination, could seriously jeopardize your life, health or ability to regain maximum function or that, in the opinion of your treating Physician, would subject you to severe pain that could not be adequately managed without the requested Services. Whether a claim is an Urgent Preservice Claim will be determined by an individual acting on behalf of SelectHealth applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine. However, any claim that your treating Physician determines is an Urgent Preservice Claim will be treated as such.

12.3 How to Make a Preservice Inquiry

Preservice Inquiries should be directed to Member Services at 800-538-5038. A Preservice Inquiry is not a claim for Benefits.

12.4 How to File a Claim for Benefits

12.4.1 Urgent Preservice Claims

In order to file an Urgent Preservice Claim, you must provide SelectHealth with:

- a. Information sufficient to determine to what extent Benefits are covered by the Plan; and
- b. A description of the medical circumstances that give rise to the need for expedited review.

Under certain circumstances provided by federal law, if you fail to follow the proper procedures for filing an Urgent Preservice Claim, SelectHealth will notify you of the failure and the proper procedures to be followed. SelectHealth will notify you as soon as reasonably possible, but no later than 24 hours after receiving the claim. This notice may be verbal unless you specifically request otherwise in writing.

Notice of a Benefit Determination will be provided as soon as possible, taking into account the medical circumstances, but no later than 72 hours after receipt of the claim. However, if SelectHealth gives you notice of an incomplete claim, the notice will give you at least 48 hours to provide the requested information. SelectHealth will then provide a notice of Benefit Determination within 48 hours after receiving the specified information or the end of the period of time given you to provide the information, whichever occurs first. If the Benefit Determination is provided verbally, it will be followed in writing no later than three days after the verbal notice.

If the Urgent Preservice Claim involves a Concurrent Care Decision, notice of the Benefit Determination will be provided as soon as possible but no later than 24 hours after receipt of your claim for extension of treatment or care, as long as the claim is made at least 24 hours before the prescribed period of time expires or the prescribed number of treatments ends.

12.4.2 Other Preservice Claims

The procedure for filing most Preservice Claims (Preauthorization) is set forth in Section 11 Healthcare Management. If there is any other Benefit that would be subject to a Preservice Claim, you may file a claim for that Benefit by contacting Member Services. Under certain circumstances provided by federal law, if you fail to follow the proper procedures for filing a Preservice Claim, SelectHealth will provide notice of the failure and the proper procedures to be followed. This notification will be provided as soon as reasonably possible, but no later than five days after receipt of the claim, and may be verbal unless you specifically request it in writing.

Notice of a Benefit Determination will be provided in writing within a reasonable period appropriate to the medical circumstances, but no later than 15 days after receipt of the claim. However, SelectHealth may extend this period for up to an additional 15 days if SelectHealth: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 15-day period, of the circumstances requiring the extension and the date by which SelectHealth expects to render a decision. If an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will describe the required information, and you will be given 60 days from your receipt of the notice to provide the requested information.

Notice of an Adverse Benefit Determination regarding a Concurrent Care Decision will be provided sufficiently in advance of any termination or reduction of Benefits to allow you to Appeal and obtain a determination before the Benefit is reduced or terminates.

12.4.3 Postservice Claims

- a. Participating Providers and Facilities. Participating Providers and Facilities file Postservice Claims with SelectHealth and SelectHealth makes payment to the Providers and Facilities.
- b. Nonparticipating Providers and Facilities. Nonparticipating Providers and Facilities are not required to file claims with SelectHealth. If a Nonparticipating Provider or Facility does not submit a Postservice Claim to SelectHealth or you pay the Nonparticipating Provider or Facility, you must submit the claim in writing in a form approved by SelectHealth. Call Member Services or your employer to find out what information is needed to submit a Postservice Claim. All claims must be received by SelectHealth within a 12-month period from the date of the expense or as soon as reasonably possible. Claims received outside of this timeframe will be denied.

Notice of Adverse Benefit Determinations will be provided in writing within a reasonable period of time, but no later than 30 days after receipt of the claim. However, SelectHealth may extend this period for up to an additional 15 days if SelectHealth: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 30-day period, of the circumstances requiring the extension and the date by which SelectHealth expects to render a decision.

The applicable time period for the Benefit Determination begins when your claim is filed in accordance with SelectHealth's procedures, even if you have not submitted all the information necessary to make a Benefit Determination.

12.5 Problem Solving

SelectHealth is committed to making sure that any concerns or problems regarding your claims are investigated and resolved as soon as possible. Many situations can be resolved informally by a Member Services representative. Call Member Services at 800-538-5038. SelectHealth offers foreign language assistance.

12.6 Formal Appeals

If you are not satisfied with the result of working with Member Services, you may file a written formal Appeal of any Adverse Benefit Determination or the negative outcome of a Preservice Inquiry. Written formal Appeals should be sent to the SelectHealth Appeals Department. As the delegated claims review fiduciary under your Employer's Plan, SelectHealth will conduct a full and fair review of your Appeal and has final discretionary authority and responsibility for deciding all matters regarding Eligibility and coverage.

12.6.1 General Rules and Procedures

You will have the opportunity to submit written comments, documents, records, and other information relating to your Appeal. SelectHealth will consider this information regardless of whether it was considered in the Adverse Benefit Determination.

During an Appeal, no deference will be afforded to the Adverse Benefit Determination, and decisions will be made by fiduciaries who did not make the Adverse Benefit Determination and who do not report to anyone who did. If the Adverse Benefit Determination was based on medical judgment, including determinations that Services are Experimental and/or Investigational or not Medically Necessary, the fiduciaries during any Appeal will consult with a medical professional with appropriate training and experience in the appropriate field of medicine and who was neither consulted in connection with the Adverse Benefit Determination nor is the subordinate of such an individual. Upon request, you will be provided the identification of any medical expert(s) whose advice was obtained on behalf of SelectHealth in connection with the Adverse Benefit Determination, whether or not the advice was relied upon in making the Adverse Benefit Determination.

Before SelectHealth can issue a Final Internal Adverse Benefit Determination, you will be provided with any new or additional evidence or rationale considered, relied upon, or generated by SelectHealth in connection with the claim. Such evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of a Final Internal Benefit Determination is required to be provided to give you a reasonable opportunity to respond prior to the date.

12.6.2 Form and Timing

All requests for an Appeal of an Adverse Benefit Determination (other than those involving an Urgent Preservice Claim) must be in writing and should include a copy of the Adverse Benefit Determination and any other pertinent information that you want SelectHealth to review in conjunction with your Appeal. Send all information to the SelectHealth Appeals Department at the following address:

Appeals Department
P.O. Box 30192
Salt Lake City, Utah 84130-0192

You may Appeal an Adverse Benefit Determination of an Urgent Preservice Claim on an expedited basis either verbally or in writing. You may Appeal verbally by calling the SelectHealth Appeals Department at 800-538-5038, ext.4684. If the request is made verbally, the SelectHealth Appeals Department will within 24 hours send written confirmation acknowledging the receipt of your request.

You may also formally Appeal the negative outcome of a Preservice Inquiry by writing to the SelectHealth Appeals Department at the address above. You should include any information that you wish SelectHealth to review in conjunction with your Appeal.

You must file a formal Appeal within 180 days from the date you received notification of the Adverse Benefit Determination or made the Preservice Inquiry, as applicable.

Appeals that do not comply with the above requirements are not subject to review by SelectHealth or legal challenge.

12.6.3 Appeals Process

As described below, the Appeals process differs for Preservice Claims and Postservice Claims. In each case, there are both mandatory and voluntary reviews. For purposes of the Appeals process only, Preservice Inquiries will be treated like Preservice Claims.

You must exhaust all mandatory reviews before you may pursue civil action, including if applicable under ERISA Section 502(a). It is your choice, however, whether or not to seek voluntary review, and you are not required to do so before pursuing civil action. SelectHealth agrees that any statute of limitations or other legal defense based on timeliness is suspended during the time that any voluntary Appeal is pending. Your decision whether or not to seek voluntary review will have no effect on your rights to any other Benefits. SelectHealth will provide you, upon request, sufficient information to enable you to make an informed decision about whether or not to engage in a voluntary review.

After a mandatory review process, you may choose to pursue civil action, including if applicable under ERISA Section 502(a). Failure to properly pursue the mandatory Appeals process may result in a waiver of the right to challenge the original decision of SelectHealth.

12.6.4 Preservice Appeals

The process for appealing a Preservice Claim provides one mandatory review, possible voluntary reviews, and the right to pursue civil action, including if applicable under ERISA Section 502(a).

Mandatory Review

Your Appeal will be investigated by the Appeals Department. All relevant, available information will be reviewed. The Appeals Department will notify you in writing of the Appeal decision within a reasonable period of time appropriate to the medical circumstances, but no later than 30 days after the receipt of your Appeal.

If your Appeal involves an Urgent Preservice Claim, you may request an expedited review. You will be notified of the Appeal decision on an expedited review as soon as possible, taking into account the medical circumstances, but no later than 72 hours after the receipt of your Appeal. A decision communicated verbally will be followed up in writing.

Voluntary Review

After completing the mandatory review process described above, you may pursue a voluntary External Review or a voluntary internal review. However, External Review is only available in the circumstances described below. If you choose to pursue a voluntary External Review, you may not pursue the voluntary internal review process.

Voluntary External Review

You may request an External Review of your Appeal by an Independent Review Organization (IRO) if you are appealing a Final Internal Adverse Benefit Determination regarding Medical Necessity, appropriateness, health care setting, level of care, effectiveness of a Covered Benefit, utilization review, Experimental and/or Investigational, or a Rescission of coverage. To request an External Review, you must complete the Independent Review Request Form. For a copy of this form, or for other questions, contact the Utah Insurance Commissioner by mail at Suite 3110 State Office Building, Salt Lake City, UT 84114; by phone at 801-538-3077; or electronically at healthappeals.uid@utah.gov. An External Review request must be made within 180 days from the date the Appeals Department notifies you of the Final Internal Adverse Benefit Determination. An authorization to obtain medical records may be required. Also, you will be subject to additional requirements for an External Review regarding Experimental and/or Investigational Services. The IRO will provide written notice of its decision within 45 days after receipt of the request.

If your Appeal involves an Urgent Preservice Claim, you may request an expedited review. You will be notified by the IRO of the Appeal decision on an expedited review as soon as possible, taking into account the medical circumstances, but no later than 72 hours after the receipt of your Appeal. A decision communicated verbally will be followed up in writing.

If you pursue a voluntary External Review, it will be your last level of Appeal.

Voluntary Internal Review

If you choose to pursue the voluntary internal review process, you may request a review of your Appeal. Depending on the nature of the Appeal, it will be considered by either the Administrative Appeal Review Committee or the Clinical Appeal Review Committee. Such a request must be made in writing to the Appeals Department within 60 days of the date the Appeals Department notifies you of the Final Internal Adverse Benefit Determination. SelectHealth will notify you of the result of the review in writing within 30 days of the date you requested the review. If you are not satisfied with the decision made by the reviewing committee, you may request a review by the SelectHealth Appeals Committee. Such a request must be made in writing to the Appeals Department within 60 days of the date the reviewing committee notifies you of its decision.

12.6.5 Postservice Appeals

The process for appealing a Postservice Claim provides two mandatory reviews, possible voluntary reviews, and the right to pursue civil action, including if applicable under ERISA Section 502(a).

First Mandatory Review

Your Appeal will be investigated by the SelectHealth Appeals Department. All relevant information will be reviewed and the Appeals Department will notify you in writing of the Appeal decision within a reasonable period of time appropriate to the medical circumstances, but no later than 30 days after the receipt of your Appeal.

Second Mandatory Review

If you are dissatisfied with the decision of the first mandatory review, you may request further consideration of your Appeal. Depending on the nature of the Appeal, it will be considered either by the Administrative Appeal Review Committee or the Clinical Appeal Review Committee. Such a request must be made in writing to the Appeals Department within 60 days of the date the reviewing committee notifies you of its decision. SelectHealth will notify you of the result of the second mandatory review in writing within 30 days of the date you requested the review.

Voluntary Review

After completing the mandatory review process described above, you may pursue either a voluntary External Review process or a voluntary internal review process. However, External Review is only available in the circumstances described below. If you choose to pursue the voluntary External Review process, you may not pursue the voluntary internal review process.

Voluntary External Review

You may request an External Review of your Appeal by an Independent Review Organization (IRO) if you are appealing a Final Internal Adverse Benefit Determination regarding Medical Necessity, appropriateness, health care setting, level of care, effectiveness of a Covered Benefit, utilization review, Experimental and/or Investigational, or a Rescission of coverage. To request an External Review you must complete the Independent Review Request Form. Also, you will be subject to additional requirements for an External Review regarding Experimental and/or Investigational Services. For a copy of this form, or for other questions, contact the Utah Insurance Commissioner by mail at Suite 3110 State Office Building, Salt Lake City, UT 84114; by phone at 801-538-3077; or electronically at healthappeals.uid@utah.gov. An External Review request must be made within 180 days from the date SelectHealth sends the Final Internal Adverse Benefit Determination. An authorization to obtain medical records may be required. The IRO will provide written notice of its decision within 45 days after receipt of the request.

If you pursue a voluntary External Review, it will be your last level of Appeal.

Voluntary Internal Review

If you choose to pursue the voluntary internal review process, you may request a voluntary internal review of your Final Internal Adverse Benefit Determination by the SelectHealth Appeals Committee. Such a request must be made in writing to the Appeals Department within 60 days of the date the Appeals Department notifies you of its decision.

SECTION 13 OTHER PROVISIONS AFFECTING YOUR BENEFITS

13.1 Coordination of Benefits (COB)

When you or your Dependents have healthcare coverage under more than one health benefit plan, SelectHealth will coordinate Benefits with the other healthcare coverage according to the COB rules set forth in Utah Code, Section 31A-22-619.

13.1.1 Required Cooperation

You are required to cooperate with SelectHealth in administering COB. Cooperation may include providing notice of other health benefit coverage, copies of divorce decrees, bills and payment notices from other payers, and/or signing documents required by SelectHealth to administer COB. Failure to cooperate may result in the denial of claims.

13.1.2 Direct Payments

SelectHealth may make a direct payment to another health benefit plan when the other plan has made a payment that was the responsibility of SelectHealth. This amount will be treated as though it was a Benefit paid by the Plan, and SelectHealth will not have to pay that amount again.

13.2 Subrogation/Restitution

As a condition to receiving Benefits under the Plan, you and your Dependents (hereinafter you) agree that SelectHealth is automatically subrogated to, and has a right to receive equitable restitution from, any right of recovery you may have against any third party as the result of an accident, illness, injury, or other condition involving the third party (hereinafter third-party event) that causes you to obtain Covered Services that are paid for by SelectHealth. SelectHealth is entitled to receive as equitable restitution the proceeds of any judgment, settlement, or other payment paid or payable in satisfaction of any claim or potential claim that you have or could assert against the third party to the extent of all Benefits paid by SelectHealth or payable in the future by SelectHealth because of the third-party event.

Any funds you (or your agent or attorney) recover by way of settlement, judgment, or other award from a third party or from your own insurance due to a third-party event as described in this section shall be held by you (or your agent or attorney) in a constructive trust for the benefit of SelectHealth until SelectHealth's equitable restitution interest has been satisfied.

SelectHealth shall have the right to intervene in any lawsuit, threatened lawsuit, or settlement negotiation involving a third party for purposes of asserting and collecting its equitable restitution interest as described in this section. SelectHealth shall have the right to bring a lawsuit against, or assert a counterclaim or cross-claim against, you (or your agent or attorney) for purposes of collecting SelectHealth's equitable restitution interest or to enforce the constructive trust required by this section.

Except for proceeds obtained from uninsured or underinsured motorist coverage, this contractual right of subrogation/restitution applies whether or not you believe that you have been made whole or otherwise fully compensated by any recovery or potential recovery from the third party and regardless of how the recovery may be characterized (e.g., as compensation for damages other than medical expenses).

You are required to:

- a. Promptly notify SelectHealth of all possible subrogation/restitution situations;

- b. Help SelectHealth or its designated agent to assert its subrogation/restitution interest;
- c. Not take any action that prejudices SelectHealth's right of subrogation/restitution, including settling a dispute with a third party without protecting SelectHealth's subrogation/restitution interest;
- d. Sign any papers required to enable SelectHealth to assert its subrogation/restitution interest;
- e. Grant to SelectHealth a first priority lien against the proceeds of any settlement, verdict, or other amounts you receive; and
- f. Assign to SelectHealth any benefits you may have under any other coverage to the extent of SelectHealth's claim for restitution.

SelectHealth's right of subrogation/restitution exists to the full extent of any payments made, Services provided, or expenses incurred on your behalf because of or reasonably related to the third-party event.

You (or your agent or attorney) will be personally liable for the equitable restitution amount to the extent that SelectHealth does not recover that amount through the process described above.

If you fail to fully cooperate with SelectHealth or its designated agent in asserting SelectHealth's subrogation/restitution right, then limited to the compensation you (or your agent or attorney) have received from a third party, SelectHealth may reduce or deny coverage under the Plan and offset against any future claims. Further, SelectHealth may compromise with you on any issue involving subrogation/restitution in a way that includes your surrendering the right to receive further Services under the Plan for the third-party event.

SelectHealth will reduce the equitable restitution required in this section to reflect reasonable costs or attorneys' fees incurred in obtaining compensation, as separately agreed to in writing between SelectHealth and your attorney.

13.3 Right of Recovery

SelectHealth will have the right to recover any payment made in excess of the obligations of SelectHealth under the Contract. Such recoveries are limited to a time period of 12 months (or 24 months for a COB error) from the date a payment is made unless the recovery is due to fraud or intentional misrepresentation of material fact by you or your Dependents. This right of recovery will apply to payments made to you, your Dependents, your employer, Providers, or Facilities. If an excess payment is made by SelectHealth to you, you agree to promptly refund the amount of the excess. SelectHealth may, at its sole discretion, offset any future Benefits against any overpayment.

SECTION 14 SUBSCRIBER RESPONSIBILITIES
