1 Refer to selecthealth.org/findadoctor to identify whether a provider is a primary or secondary care provider.

2 Refer to your Certificate of Coverage for more information.

3 Frequency and/or quantity limitations apply to some preventive care and MMS services.

4 Preauthorization is required for certain services. Benefits may be reduced or denied if you do not preauthorize certain services with nonparticipating providers. Please refer to Section 11—“Healthcare Management”, in your Certificate of Coverage, for details.

5 All deductible/copay/coinsurance amounts are based on the allowed amounts and not on the providers billed charges. Nonparticipating Providers or Facilities have not agreed to accept the Allowed Amount for Covered Services. When this occurs, you are responsible to pay for any charges that exceed the amount that SelectHealth pays for Covered Services. These fees are called Excess Charges, and they do not apply to your Out-of-Pocket Maximum.

6 SelectHealth provides a $4000 adoption indemnity as outlined by the state of Utah. Medical deductible, copay, or coinsurance listed under the benefit applies and may exhaust the benefits prior to any plan payments.

* Not applied to Medical out-of-pocket maximum.

SECTION 1 INTRODUCTION

1.1 This Certificate

This Certificate of Coverage describes the terms and conditions of the health insurance Benefits provided under the Group Health Insurance Contract. Please read it carefully and keep it for future reference. Technical terms are capitalized and described in Section 16 Definitions. Your Member Payment Summary, which contains a quick summary of the Benefits by category of service, is attached to and considered part of this Certificate.

1.2 SelectHealth, Inc.

SelectHealth is an HMO licensed by and domiciled in the State of Utah and is located at 5381 Green Street, Murray, Utah 84123. SelectHealth is affiliated with Intermountain Healthcare, but is a separate company. The Contract does not involve Intermountain Healthcare or any other affiliated Intermountain companies, or their officers or employees. Such companies are not responsible to you or any other Members for the obligations or actions of SelectHealth.

1.3 Managed Care

SelectHealth provides managed healthcare coverage. Such management necessarily limits some choices of Providers and Facilities. The management features and procedures are described by this Certificate. The Plan is intended to meet basic healthcare needs, but not necessarily to satisfy every healthcare need or every desire Members may have for Services.

1.4 Your Agreement

As a condition to enrollment and to receiving Benefits from SelectHealth, you (the Subscriber) and every other Member enrolled through your coverage (your Dependents) agree to the managed care features that are a part of the Plan in which you are enrolled and all of the other terms and conditions of this Certificate and the Contract.

1.5 No Vested Rights

You are only entitled to receive Benefits while the Contract is in effect and you, and your Dependents if applicable, are properly enrolled and recognized by SelectHealth as Members. You do not have any permanent or vested interest in any Benefits under the Plan. Benefits may change as the Contract is renewed or modified from year to year. Unless otherwise expressly stated in this Certificate, all Benefits end when the Contract ends.

1.6 Administration

SelectHealth establishes reasonable rules, regulations, policies, procedures, and protocols to help it in the administration of your Benefits. You are subject to these administrative practices when receiving Benefits, but they do not change the express provisions of this Certificate or the Contract.

1.7 Non-Assignment

Benefits are not assignable or transferable. Any attempted assignment or transfer by any Member of the right to receive payment from SelectHealth will be invalid unless approved in advance in writing by SelectHealth.

1.8 Notices

Any notice required of SelectHealth under the Contract will be sufficient if mailed to you at the address appearing on the records of SelectHealth. Notice to your Dependents will be sufficient if given to you. Any notice to SelectHealth will be sufficient if mailed to the principal office of SelectHealth. All required notices must be sent by at least first-class mail.
1.9 Nondiscrimination

SelectHealth will not discriminate against any Member based on race, sex, religion, national origin, or any other basis forbidden by law. SelectHealth will not terminate or refuse to enroll any Member because of the health status or the healthcare needs of the Member or because he or she exercised any right under SelectHealth’s complaint resolution system.

1.10 Questions

If you have questions about your Benefits, call Member Services at 800-538-5038, or visit selecthealth.org. Member Services can also provide you with a provider directory and information about Participating Providers, such as medical school attended, residency completed, and board certification status. SelectHealth offers foreign language assistance.

1.11 Benefit Changes

SelectHealth employees often respond to inquiries regarding coverage as part of their job responsibilities. These employees do not have the authority to extend or modify the Benefits provided by the Plan.

a. In the event of a discrepancy between information given by a SelectHealth employee and the written terms of the Contract, the terms of the Contract will control.

b. Any changes or modifications that would increase your Benefits must be provided in writing and signed by the president, vice president, or medical director of SelectHealth.

c. Administrative errors will not invalidate Benefits otherwise in force or give rise to rights or Benefits not otherwise provided for by the Plan.

SECTION 2 ELIGIBILITY

2.1 General

Your employer decides, in consultation with SelectHealth, which categories of its employees, retirees, and their Dependents are Eligible for Benefits, and establishes the other Eligibility requirements of the Plan. These Eligibility requirements are described in this section and in the Group Application of the Contract. In order to become and remain a Member, you and your Dependents must continuously satisfy these requirements. No one, including your employer, may change, extend, expand, or waive the Eligibility requirements without first obtaining the advance, written approval of an officer of SelectHealth.

2.2 Subscriber Eligibility

You are Eligible for Benefits as set forth in the Group Application. During the Employer Waiting Period, you must work the specified minimum required hours except for paid time off and hours you do not work due to a medical condition, the receipt of healthcare, your health status or disability. SelectHealth may require payroll reports from your employer to verify the number of hours you have worked as well as documentation from you to verify hours that you did not work due to paid time off, a medical condition, the receipt of healthcare, your health status or disability.

2.3 Dependent Eligibility

Unless stated otherwise in the Group Application, your Dependents are:

2.3.1 Spouse

Your lawful spouse. Eligibility may not be established retroactively.
2.3.2 Children
The children (by birth or adoption, and children placed for adoption or under legal guardianship through testamentary appointment or court order, but not under temporary guardianship or guardianship for school residency purposes) of you or your lawful spouse, who are younger than age 26.

2.3.3 Disabled Children
Unmarried Dependent children who meet the Eligibility requirements in Subsection 2.3.2 may enroll or remain enrolled as Dependents after reaching age 26 as long as they:

a. Are unable to engage in substantial gainful employment to the degree they can achieve economic independence due to medically determinable physical or mental impairment which can be expected to last for a continuous period of not less than 12 months or result in death;
b. Are chiefly dependent upon you or your lawful spouse for support and maintenance since they reached age 26; and
c. Have been continuously enrolled in some form of healthcare coverage, with no break in coverage of more than 63 days since the date they reached age 26.

SelectHealth may require you to provide proof of incapacity and dependency within 30 days of the Effective Date or the date the child reaches age 26.

2.3.4 Incarcerated Dependents
Despite otherwise qualifying as described above, a person incarcerated in a prison, jail, or other correctional facility is not a Dependent.

2.4 Court-Ordered Dependent Coverage
When you or your lawful spouse are required by a court or administrative order to provide health insurance coverage for a child, the child will be enrolled in your family coverage according to SelectHealth guidelines and only to the minimum extent required pursuant to Utah Code Annotated 31A-22-610 through 611, and 718. If you are not enrolled for coverage at the time the court or administrative order becomes effective, only you and the affected Dependent will be allowed to enroll for coverage. For more information about SelectHealth guidelines, please call Member Services.

2.4.1 Qualified Medical Child Support Order (QMCSO)
A QMCSO can be issued by a court of law or by a state or local child welfare agency. In order for the medical child support order to be qualified, the order must specify the following:

a. Your name and last known mailing address (if any) and the name and mailing address of each alternate recipient covered by the order;
b. A reasonable description of the type of coverage to be provided, or the manner in which the coverage will be determined; and
c. The period to which the order applies.

2.4.2 National Medical Support Notice (NMSN)
An NMSN is a QMCSO issued by a state or local child welfare agency to withhold from your income any contributions required by the Plan to provide health insurance coverage for an Eligible child.
2.4.3 Eligibility and Enrollment
You and the Dependent child must be Eligible for coverage, unless specifically required otherwise by applicable law. You and/or the Dependent child will be enrolled without regard to an Annual Open Enrollment restriction and will be subject to applicable Employer Waiting Period requirements. SelectHealth will not recognize Dependent Eligibility for a former spouse as the result of a court order.

2.4.4 Duration of Coverage
Court-ordered coverage for a Dependent child who is otherwise eligible for coverage will be provided until the court order is no longer in effect.

SECTION 3 ENROLLMENT

3.1 General
You may enroll yourself and your Dependents in the Plan during the Initial Eligibility Period, under a Special Enrollment Right, or, if offered by your employer, during an Annual Open Enrollment.
You and your Dependents will not be considered enrolled until:
   a. All enrollment information is provided to SelectHealth; and
   b. Premium has been paid to SelectHealth by your employer.

3.2 Enrollment Process
Unless separately agreed to in writing by SelectHealth and your employer, you must enroll on an Application accepted by SelectHealth. You and your Dependents are responsible for obtaining and submitting to SelectHealth evidence of Eligibility and all other information required by SelectHealth in the enrollment process. You enroll yourself and any Dependents by completing, signing, and submitting an Application and any other required enrollment materials to SelectHealth.

3.3 Effective Date of Coverage
Coverage for you and your Dependents will take effect as follows:

3.3.1 Annual Open Enrollment
Coverage elected during an Annual Open Enrollment will take effect on the day the Contract is effective.

3.3.2 Newly Eligible Employees
Coverage you elect as a newly Eligible employee will take effect as specified in the Group Application if SelectHealth receives a properly completed Application in a timely manner.
If you do not enroll in the Plan for yourself and/or your Dependents during the Initial Eligibility Period, you may not enroll until an Annual Open Enrollment unless you experience an event that creates a Special Enrollment Right.

3.3.3 Court or Administrative Order
When you or your lawful spouse are required by a court or administrative order to provide health insurance coverage for a child, the Effective Date of coverage will be the later of:
   a. The start date indicated in the order;
   b. The date any applicable Employer Waiting Period is satisfied; or
   c. The date SelectHealth receives the order.

3.4 Special Enrollment Rights
SelectHealth provides Special Enrollment Rights in the following circumstances:

3.4.1 Loss of Other Coverage
If you do not enroll in the Plan for yourself and/or your Dependents when initially Eligible, you may enroll at a time other than an Annual Open Enrollment if each of the following conditions are met:
   a. You initially declined to enroll in the Plan due to the existence of other health plan coverage;
b. The loss of the other health plan coverage occurred because of a loss of eligibility (this Special Enrollment Right will not apply if the other coverage is lost due to nonpayment of Premiums). One exception to this rule exists: if a Dependent is enrolled on another group health plan and the Annual Open Enrollment periods of the two plans do not coincide, the Dependent may voluntarily drop coverage under their group health plan’s open enrollment and a special enrollment period will be permitted under the Plan in order to avoid a gap in coverage; and

c. You and/or your Dependents who lost the other coverage must enroll in the Plan within 31 days after the date the other coverage is lost.

Proof of loss of the other coverage (for example, a Certificate of Creditable Coverage) must be submitted to SelectHealth as soon as reasonably possible. Proof of loss of other coverage must be submitted before any Benefits will be paid.

Coverage of any Members properly enrolled under this Special Enrollment Right will be effective on the date the other coverage was lost.

### 3.4.2 New Dependents

If you are enrolled in the Plan (or are Eligible to be covered but previously declined to enroll), and gain a Dependent through marriage, birth, adoption, placement for adoption or placement under legal guardianship with you or your lawful spouse, then you may enroll the Dependents (and yourself, if applicable) in the Plan. In the case of a birth, adoption or placement for adoption of a child, you may also enroll your Eligible spouse, even if he or she is not newly Eligible as a Dependent. However, this Special Enrollment Right is only available by enrolling within 31 days of the marriage, birth, adoption, placement for adoption or placement under legal guardianship (there is an exception for enrolling a newborn, adopted child, child placed for adoption or under legal guardianship if enrolling the child does not change the Premium, as explained in Section 3.5 Enrolling a Newborn, Adopted Child, Child Placed for Adoption or Under Legal Guardianship).

Coverage of any Members properly enrolled under this Special Enrollment Right will be effective:

- As of the date of marriage;
- As of the date of birth;
- If the child is less than 31 days old when adopted or placed for adoption, as of the date of birth; if the child is more than 31 days old when adopted or placed for adoption, as of the child’s date of placement; or
- As of the later of:
  - The effective date of the guardianship court order or testamentary appointment; or
  - The date the guardianship court order or testamentary appointment is received by SelectHealth.

### 3.4.3 Qualification for a Subsidy Through Utah’s Premium Partnership

You and/or your Eligible Dependents who qualify for a subsidy through the state Medicaid program to purchase health insurance may enroll in the Plan if application is made within 60 days of receiving written notification of eligibility for the subsidy. If you timely enroll, the Effective Date of coverage is the first of the month following date of enrollment.

### 3.4.4 Loss of Medicaid or CHIP Coverage

If you and/or your Eligible Dependents lose coverage under a Medicaid or CHIP plan due to loss of eligibility, you may enroll in the Plan if application is made within 60 days. If you enroll within 60 days, the Effective Date of coverage is the first day after your Medicaid or CHIP coverage ended.

### 3.4.5 As Required by State or Federal Law

SelectHealth will recognize other special enrollment rights as required by state or federal law.

### 3.5 Enrolling a Newborn, Adopted Child, or Child Placed for Adoption or Under Legal Guardianship

You must enroll your newborn, adopted child, child placed for adoption or child under legal guardianship according to the following requirements:
a. If enrolling the child requires additional Premium, you must enroll the child within 31 days of the child’s birth, adoption, or placement for adoption or under legal guardianship.

b. If enrolling the child does not change the Premium, you must enroll the child within 31 days from the date SelectHealth mails notification that a claim for Services was received for the child.

If the child is not enrolled within these time frames, then you may not enroll the child until an Annual Open Enrollment or if you experience an event that creates a Special Enrollment Right.

If you lose Eligibility for coverage before the end of the applicable time frame listed in (a) or (b) above, you are still allowed to enroll the child within the applicable time frame. However, the child will only be covered from the moment of birth, adoption, or placement for adoption or under legal guardianship until the date that you lost Eligibility for coverage.

3.6 Leave of Absence

If you are granted a temporary leave by your employer, you and any Dependents may continue to be enrolled with SelectHealth for up to the length of time specified in the Group Application, as long as the monthly Premiums for your coverage are paid to SelectHealth by your employer. Military personnel called into active duty will continue to be covered to the extent required by law. A leave of absence may not be treated retroactively as a termination of employment.

3.7 Family Medical Leave Act

If you are on a leave required by the Family Medical Leave Act (FMLA), SelectHealth will administer your coverage as follows:

a. You and your enrolled Dependents may continue your coverage with SelectHealth to the minimum extent required by the FMLA as long as applicable Premiums continue to be paid to SelectHealth by your employer.

b. If Premiums are not paid, your coverage will be terminated. Upon your return to work, you and any previously enrolled Dependents who are still Eligible will be prospectively reinstated if the applicable Premium for you is paid to SelectHealth by your employer within 30 days. SelectHealth will not be responsible for any claims incurred by you or your Dependents during this break in coverage.

Any non-FMLA leave of absence granted by your employer that could have been classified as FMLA leave will be considered by SelectHealth as an FMLA leave of absence.

SECTION 4 TERMINATION

4.1 Group Termination

Coverage under the Plan for you and your Dependents will terminate when the Contract terminates.

4.1.1 Termination by Employer

Your employer may terminate the Contract, with or without cause, by providing SelectHealth with written notice of termination not less than 30 days before the proposed termination date.

4.1.2 Termination of Employer Group by SelectHealth

SelectHealth may terminate the Contract for any of the following reasons:

a. Nonpayment of applicable Premiums;

b. Fraud or intentional misrepresentation of material fact to SelectHealth by your employer in any matter related to the Contract or the administration of the Plan;

c. Your employer’s coverage under the Contract is through an association and your employer terminates membership in the association;

d. Your employer fails to satisfy the minimum group participation and/or employer contribution requirements of SelectHealth;
e. No employees live, reside, or work in the Service Area;

f. SelectHealth elects to discontinue offering a particular health benefit plan. If that happens, you will be given at least 90 days advance notice; or

g. SelectHealth withdraws from the market and discontinues all of its health benefit plans. If that happens, you will be given at least 180 days advance notice.

4.2 Individual Termination

Your coverage under the Plan may terminate even though the Contract with your employer remains in force.

4.2.1 Termination Date

If you and/or your enrolled Dependents lose Eligibility, then coverage will terminate either on the date Eligibility is lost or the end of the month in which Eligibility is lost, as specified in the Group Application. However, when a Dependent child ceases to be a Dependent, coverage will terminate at the end of the month in which Dependent status is lost. When a loss of Eligibility is not reported in a timely fashion as required by the Contract, and federal or state law prevents SelectHealth from retroactively terminating coverage, SelectHealth has the discretion to determine the prospective date of termination. SelectHealth also has the discretion to determine the date of termination for Rescissions.

4.2.2 Fraud or Misrepresentation

a. Made During Enrollment:

i. Coverage for you and/or your Dependents may be terminated or Rescinded during the two-year period after you enroll if you or they make an intentional misrepresentation of material fact in connection with insurability.

ii. Coverage for you and/or your Dependents may be terminated or Rescinded at any time if you or they make a fraudulent misrepresentation in connection with insurability.

iii. Please Note: If coverage is Rescinded as described above, the termination is retroactive to the Effective Date of coverage.

b. Made After Enrollment: Coverage for you and/or your Dependents may be terminated or Rescinded if you or they commit fraud or make an intentional misrepresentation of material fact in connection with Benefits or Eligibility. At the discretion of SelectHealth, the Rescission may be effective retroactively to the date of the fraud or misrepresentation.

c. If coverage for you or your Dependent is terminated or Rescinded for fraud or intentional misrepresentation of material fact, you or they are allowed to reenroll 12 months after the date of the termination, provided the Contract is still in force. You will be given notice of this provision at the time of termination.

d. The termination from the Plan of a Dependent for cause does not necessarily affect your Eligibility or enrollment or the Eligibility or enrollment of your other Dependents.

4.2.3 Leaving the Service Area

Coverage for you and/or your Dependents terminates if you no longer live, work, or reside in the Service Area.

4.2.4 Annual Open Enrollment

You can drop coverage for yourself and any Dependents during an Annual Open Enrollment.

4.2.5 Nonpayment of Premium or Contributions

SelectHealth may terminate coverage for you and/or your Dependents for nonpayment of applicable Premiums or contributions. Termination may be retroactive to the beginning of the period for which Premiums or contributions were not paid, and SelectHealth may recover from you and/or your Dependent(s) the amount of any Benefits you or they received during the period of lost coverage.
4.2.6 Court or Administrative Order
In cases of court or administrative orders that grant a divorce or annul/declare void a marriage, subject to SelectHealth policy, the effective date of the change will be the date the court or administrative order was signed by the court or administrative agency.

4.3 Member Receiving Treatment at Termination
All Benefits under the Plan terminate when the Contract terminates, including coverage for Members hospitalized or otherwise within a course of care or treatment. All Services received after the date of termination are the responsibility of the Member and not the responsibility of SelectHealth no matter when the condition arose and despite care or treatment anticipated or already in progress.

4.4 Reinstatement
Members terminated from coverage for cause may not be reinstated without the written approval of SelectHealth.

SECTION 5 CONTINUATION COVERAGE
If your coverage terminates, you or your enrolled Dependents may be entitled to continue and/or convert coverage. For detailed information about your rights and obligations under your Employer’s Plan and under federal law, contact your employer.

5.1 COBRA or Utah mini-COBRA (Continuation Coverage)
You and/or your Dependents may have the right to temporarily continue your coverage under the Plan when coverage is lost due to certain events. The federal law that governs this right is called COBRA (the Consolidated Omnibus Budget Reconciliation Act of 1986) and generally applies to employers with 20 or more employees. For employers with fewer than 20 employees, Utah law provides for mini-COBRA coverage.

5.1.1 Employer’s Obligation
Continuation Coverage is an employer obligation. SelectHealth is not the administrator of Continuation Coverage procedures and requirements. SelectHealth has contractually agreed to assist your employer in providing Continuation Coverage in certain circumstances. It is your employer’s responsibility to do the following in a timely manner:
   a. Notify persons entitled to Continuation Coverage;
   b. Notify SelectHealth of such individuals; and
   c. Collect and submit to SelectHealth all applicable Premiums.

If the Contract is terminated, your Continuation Coverage with SelectHealth will terminate. Your employer is responsible for obtaining substitute coverage.

5.2 Minimum Extent
Continuation Coverage will only be provided for the minimum time and only to the minimum extent required by applicable federal law or pursuant to Utah Code Annotated 31A-22-722. 6.3 Other Networks

For dependent children residing and receiving care outside of the SelectHealth Share Service Area, participating benefits apply for services received from providers on the Select Care network, SelectHealth network, and MultiPlan/PHCS Providers.

6.4 Providers and Facilities not Agents/Employees of SelectHealth

Providers contract independently with SelectHealth and are not agents or employees of SelectHealth. They are entitled and required to exercise independent professional medical judgment in providing covered services. SelectHealth makes a reasonable effort to credential participating providers and facilities, but it does not guarantee the quality of services rendered by providers and facilities or the outcomes of medical care or health-related services. Providers and facilities, not SelectHealth, are solely responsible for their actions, or failures to act, in providing services to you.

Providers and facilities are not authorized to speak on behalf of SelectHealth or to cause SelectHealth to be legally bound by what they say. A recommendation, order, or referral from a provider or facility, including participating providers and facilities, does not guarantee coverage by SelectHealth.

Providers and facilities do not have authority, either intentionally or unintentionally, to modify the terms and conditions of the plan. Benefits are determined by the provisions of the contract.
6.5 Payment

SelectHealth may pay Providers in one or more ways, such as discounted fee-for-service, capitation (fixed payment per Member per month), and payment of a year-end withhold.

6.5.1 Incentives

Some payment methods may encourage Providers to reduce unnecessary healthcare costs and efficiently utilize healthcare resources. No payment method is ever intended to encourage a Provider to limit Medically Necessary care.

6.5.2 Payments to Members

SelectHealth reserves the right to make payments directly to you or your Dependents instead of to Nonparticipating Providers and/or Facilities.

6.6 Provider/Patient Relationship

Providers and Facilities are responsible for establishing and maintaining appropriate Provider/patient relationships with you, and SelectHealth does not interfere with those relationships. SelectHealth is only involved in decisions about what Services will be covered and paid for by SelectHealth under the Plan. Decisions about your Services should be made between you and your Provider without reference to coverage under the Plan.

6.7 Continuity of Care

SelectHealth will provide you with 30 days’ notice of Participating Provider termination if you or your Dependent is receiving ongoing care from that Provider. However, if SelectHealth does not receive adequate notice of a Provider termination, SelectHealth will notify you within 30 days of receiving notice that the Provider is no longer participating with SelectHealth.

If you or your Dependent is under the care of a Provider when participation changes, SelectHealth will continue to treat the Provider as a Participating Provider until the completion of the care (not to exceed 90 days), or until you or your Dependent is transferred to another Participating Provider, whichever occurs first. However, if you or your Dependent is receiving maternity care in the second or third trimester, you or they may continue such care through the first postpartum visit.

To continue care, the Participating Provider must not have been terminated by SelectHealth for quality reasons, remain in the Service Area, and agree to do all of the following:

a. Accept the Allowed Amount as payment in full;

b. Follow SelectHealth’s Healthcare Management Program policies and procedures;

c. Continue treating you and/or your Dependent; and

d. Share information with SelectHealth regarding the treatment plan.

SECTION 7 ABOUT YOUR BENEFITS

7.1 General

You and your Dependents are entitled to receive Benefits while you are enrolled with SelectHealth and while the Contract is in effect. This section describes those Benefits in greater detail.

7.2 Member Payment Summary

Your Member Payment Summary lists variable information about your specific Plan. This includes information about Copay, Coinsurance, and/or Deductible requirements, Preauthorization requirements, visit limits, and expenses that do not count against your Out-of-Pocket Maximum.
7.3 Identification (ID) Cards

You will be given SelectHealth ID cards that will provide certain information about the Plan in which you are enrolled. Providers and Facilities may require the presentation of the ID card plus one other reliable form of identification as a condition to providing Services. The ID card does not guarantee Benefits.

If you or your enrolled Dependents permit the use of your ID card by any other person, the card will be confiscated by SelectHealth or by a Provider or Facility and all rights under the Plan will be immediately terminated for you and/or your Dependents.

7.4 Medical Necessity

To qualify for Benefits, Covered Services must be Medically Necessary. Medical Necessity is determined by the Medical Director of SelectHealth or another Physician designated by SelectHealth. A recommendation, order, or referral from a Provider or Facility, including Participating Providers and Facilities, does not guarantee Medical Necessity.

7.5 Benefit Changes

Your Benefits may change if the Contract changes. Your employer is responsible for providing at least 30 days advance written notice of such changes.

7.6 Calendar-Year or Plan-Year Basis

Your Member Payment Summary will indicate if your Benefits are calculated on a calendar-Year or plan-Year basis. Out-of-Pocket Maximums, Limitations, and Deductibles that are calculated on a calendar-Year basis start over each January 1st. Out-of-Pocket Maximums, Limitations, and Deductibles that are calculated on a plan-Year basis start over each Year on the renewal date of the Contract.

7.7 Lifetime Maximums

Your Member Payment Summary will specify any applicable Lifetime Maximums.

7.8 Participating Benefits

You must use Participating Providers and Facilities to receive Benefits for Covered Services unless otherwise noted in the Contract. Participating Providers and Facilities have agreed to accept the Allowed Amount and will not bill you for Excess Charges.

7.9 Emergency Conditions

Participating Benefits apply to emergency room Services regardless of whether they are received at a Participating Facility or Nonparticipating Facility.

If you or your Dependent is hospitalized for an emergency:

a. You or your representative must contact SelectHealth once the condition has been stabilized, or as soon as reasonably possible; and

b. If you are in a Nonparticipating Facility, once the Emergency Condition has been stabilized, you may be asked to transfer to a Participating Facility in order to continue receiving Participating Benefits.

7.10 Urgent Conditions

Participating Benefits apply to Services received for Urgent Conditions rendered by a Participating Provider or Facility. Participating Benefits also apply to Services received for Urgent Conditions rendered by a Nonparticipating Provider or Facility more than 40 miles away from any Participating Provider or Facility.

This section describes those Covered Services (except for pharmacy Covered Services, which are separately described in Section 9 Prescription Drug Benefits). Certain Services must be Preauthorized; failure to obtain Preauthorization for these Services may result in a reduction or denial of Benefits. SECTION 9 PRESCRIPTION DRUG BENEFITS

This section includes important information about how to use your Prescription Drug Benefits. Note: this section does not apply to you if your Member Payment Summary indicates that your Plan does not provide Prescription Drug Benefits.

9.1 Prescription Drug Benefit Resources

In addition to this Certificate, you can find additional information about your Pharmacy Benefits by doing any of the following:

a. Log in to My Health at selecthealth.org/myhealth and use Pharmacy Tools;

b. Visit selecthealth.org/pharmacy;

c. Refer to your Provider & Facility Directory;

or
d. Call Member Services at 800-538-5038.

9.2 Use Participating Pharmacies

To get the most from your Prescription Drug Benefits, use a Participating Pharmacy and present your ID card when filling a prescription. SelectHealth contracts with pharmacy chains on a national basis and with independent pharmacies in Utah.

If you use a Nonparticipating Pharmacy, you must pay full price for the drug and submit to SelectHealth a Prescription Reimbursement Form with your itemized pharmacy receipt. If the drug is covered, you will be reimbursed the Allowed Amount minus your Copay/Coinsurance and/or Deductible.

9.3 Tiered Benefits

There are tiers (or levels) of covered prescriptions listed on your ID card and Member Payment Summary. This tiered Benefit allows you to choose the drugs that best meet your medical needs while encouraging you and your Provider to discuss treatment options and choose lower-tier drugs when therapeutically appropriate.

Drugs on each tier are selected by an expert panel of Physicians and pharmacists and may change periodically. To determine which tier a drug is assigned to, call Member Services or log in to My Health.
9.4 Filling Your Prescription

9.4.1 Copay/Coinsurance
You generally will be charged one Copay/Coinsurance per covered prescription up to a 30-day supply at a retail pharmacy. If your Provider prescribes a dose of a medication that is not available, you will be charged a Copay for each strength of the medication.

9.4.2 Quantity and Day Supply
Prescriptions are subject to SelectHealth quantity and day-supply Limitations that have been defined based upon FDA guidance or evidence-based literature. The most current information can be found by logging in to My Health.

9.4.3 Refills
Refills are allowed after 80 percent of the last refill has been used for a 30-day supply, and 50 percent for a 10-day supply. Some exceptions may apply; call Pharmacy Services for more information.

9.5 Generic Drug Substitution Required
Your Member Payment Summary will indicate if generic substitution is required. When generic substitution is required, if you purchase a brand-name drug instead of a Generic Drug, then you must pay the difference between the Allowed Amount for the Generic Drug and the Allowed Amount for the brand-name drug, plus your Copay/Coinsurance or Deductible. The difference in cost between the Generic Drug and brand-name drug will not apply to your pharmacy Deductible or Out-of-Pocket Maximum. Based upon clinical circumstances determined by SelectHealth’s Pharmacy and Therapeutics Committee, some Prescription Drugs are excluded from this requirement.

9.6 Maintenance Drugs
SelectHealth offers a maintenance drug Benefit, allowing you to obtain a 90-day supply of certain drugs. This Benefit is available for maintenance drugs if you:

   a. Have been using the drug for at least one month;
   b. Expect to continue using the drug for the next year; and
   c. Have filled the drug at least once within the past six months.

Maintenance drugs are identified by the letter (M) on the Prescription Drug List. You have two options when filling prescriptions under the maintenance drug Benefit: (1) Retail90SM, which is available at certain retail pharmacies; and (2) mail order. Please refer to your Member Payment Summary or contact Member Services to verify if the 90-day maintenance drug Benefit is available on your Plan.

9.7 Preauthorization of Prescription Drugs
There are certain drugs that require Preauthorization by your Provider to be covered by SelectHealth. Prescription drugs that require Preauthorization are identified on the Prescription Drug List. The letters (PA) appear next to each drug that requires Preauthorization. Preauthorization is also required if the drug is prescribed in excess of the Plan limits (quantity, duration of use, maximum dose, etc.). The most current information can be found at the SelectHealth website.

To obtain Preauthorization for these drugs, please have your Provider call SelectHealth Pharmacy Services at 800-442-3129.

If your Provider prescribes a drug that requires Preauthorization, you should verify that Preauthorization has been obtained before purchasing the medication. You may still buy these drugs if they are not Preauthorized, but they will not be covered and you will have to pay the full price.

9.8 Step Therapy
Certain drugs require your Provider to first prescribe an alternative drug preferred by SelectHealth. The alternative drug is generally a more cost-effective therapy that does not compromise clinical quality. If your Provider feels that the alternative drug does not meet your needs, SelectHealth may cover the drug without step therapy if SelectHealth determines it is Medically Necessary.
Prescription drugs that require step therapy are identified on the Prescription Drug List. The letters (ST) appear next to each drug that requires step therapy.

9.9 Coordination of Benefits (COB)

If you have other health insurance that is your primary coverage, claims must be submitted first to your primary insurance carrier before being submitted to SelectHealth. In some circumstances, your secondary policy may pay a portion of your out-of-pocket expense. When you mail a secondary claim to SelectHealth, you must include a Prescription Reimbursement Form and the pharmacy receipt in order for SelectHealth to process your claim. In some circumstances, an Explanation of Benefits (EOB) from your primary carrier may also be required.

9.10 Inappropriate Prescription Practices

In the interest of safety for our Members, SelectHealth reserves the right to not cover certain prescription drugs.

a. These drugs include:
   i. Narcotic analgesics;
   ii. Other addictive or potentially addictive medications; and
   iii. Drugs prescribed in quantities, dosages, or usages that are outside the usual standard of care for the medication in question.

b. These drugs are not covered when they are prescribed:
   i. Outside the usual standard of care for the practitioner prescribing the drug;
   ii. In a manner inconsistent with accepted medical practice; or
   iii. For indications that are Experimental and/or Investigational.

This exclusion is subject to review by the SelectHealth Drug Utilization Panel and certification by a practicing clinician who is familiar with the drug and its appropriate use.

9.11 Prescription Drug Benefit Abuse

SelectHealth may limit the availability and filling of any Prescription Drug that is susceptible to abuse. SelectHealth may require you to:

a. Obtain prescriptions in limited dosages and supplies;
b. Obtain prescriptions only from a specified Provider;
c. Fill your prescriptions at a specified pharmacy;
d. Participate in specified treatment for any underlying medical problem (such as a pain management program);
e. Complete a drug treatment program; or
f. Adhere to any other specified limitation or program designed to reduce or eliminate drug abuse or dependence.

If you seek to obtain drugs in amounts in excess of what is Medically Necessary, such as making repeated emergency room/urgent care visits to obtain drugs, SelectHealth may deny coverage of any medication susceptible of abuse.

SelectHealth may terminate you from coverage if you make an intentional misrepresentation of material fact in connection with obtaining or attempting to obtain drugs, such as by intentionally misrepresenting your condition, other medications, healthcare encounters, or other medically relevant information. At the discretion of SelectHealth, you may be permitted to retain your coverage if you comply with specified conditions.

9.12 Pharmacy Injectable Drugs and Specialty Medications

Injectable drugs and specialty medications must be provided by a Participating Provider unless otherwise approved in writing in advance by SelectHealth. Most drugs received in a Provider’s office or Facility are covered by your medical Benefits. For more specific information, please contact Member Services. Infusion therapy is only covered at preapproved infusion locations.
9.13  Prescription Drug List (PDL)

The PDL is a list containing the most commonly prescribed drugs in their most common strengths and formulations. It is not a complete list of all drugs covered by your Formulary. Drugs not included on the PDL may be covered at reduced benefits, or not covered at all, by your Plan. For a printed copy of your PDL, contact Pharmacy Member Services at 1-800-538-5038. To view an electronic copy of the PDL or to search a complete list of drugs covered by your Formulary, visit selecthealth.org/pharmacy/pharmacy-benefits.

9.14  Exceptions Process

If your Provider believes that you require a certain drug that is not on your Formulary, normally requires step therapy, or exceeds a Quantity Limit, he or she may request an exception through the Preauthorization process.

9.15  Prescriptions Dispensed in a Provider’s Office

Prescriptions dispensed in a Provider’s office are not covered unless expressly approved by SelectHealth.

9.16  Disclaimer

SelectHealth refers to many of the drugs in this Certificate by their respective trademarks. SelectHealth does not own these trademarks. The manufacturer or supplier of each drug owns the drug's trademark. By listing these drugs, SelectHealth does not endorse or sponsor any drug, manufacturer, or supplier. Conversely, these manufacturers and suppliers do not endorse or sponsor any SelectHealth service or Plan, nor are they affiliated with SelectHealth.

SECTION 10 LIMITATIONS AND EXCLUSIONS

Unless otherwise noted in your Member Payment Summary or Appendix A Optional Benefits, the following Limitations and Exclusions apply.

Abortions are not covered except:

a. When determined by SelectHealth to be Medically Necessary to save the life of the mother; or

SECTION 11 HEALTHCARE MANAGEMENT

SelectHealth works to manage costs while protecting the quality of care. The Healthcare Management Program reviews three aspects of medical care: appropriateness of the care setting, Medical Necessity, and appropriateness of Hospital lengths of stay. You benefit from this process because it reduces unnecessary medical expenses, enabling SelectHealth to maintain reasonable Premium rates. The Healthcare Management process takes several forms.

10.38 Telephone/E-mail Consultations

Except for TeleHealth Services, as described in Section 8 Covered Services, charges for Provider telephone, e-mail, or other electronic consultations are not covered.
11.1 Preauthorization

Preauthorization is prior approval from SelectHealth for certain Services and is considered a Preservice Claim (refer to Section 12 Claims and Appeals). Preauthorization is not required when SelectHealth is your secondary plan. However, it is required for injectable drugs and inpatient services when Medicare is your primary insurance. Obtaining Preauthorization does not guarantee coverage. Your Benefits for the Preauthorized Services are subject to the Eligibility requirements, Limitations, Exclusions and all other provisions of the Plan. Preauthorization requirements for Prescription Drugs are also found in Section 9—Prescription Drug Benefits.

11.1.1 Services Requiring Preauthorization

Preauthorization is required for the following Services:

1. Advanced imaging including Magnetic Resonance Imaging (MRI), Computerized Tomography (CT) scans, Positron Emission Tomography (PET) scans, and cardiac imaging;
2. All admissions to facilities, including rehabilitation, transitional care, skilled nursing, and all hospitalizations that are not for Urgent or Emergency Conditions;

   f. The medications listed on selecthealth.org/pharmacy. You may also request this list by calling Pharmacy Services at 800-538-5038.

In addition to these Services, Participating Providers must Preauthorize other Services as specified in SelectHealth medical policy.

11.1.2 Who is responsible for obtaining Preauthorization

Participating Providers and Facilities are responsible for obtaining Preauthorization on your behalf; however, you should verify that they have obtained Preauthorization prior to receiving Services.

You are responsible for obtaining Preauthorization when using a Nonparticipating Provider or Facility.

11.1.3 How to request Preauthorization

If you need to request Preauthorization, call Member Services at 800-538-5038.
You should call SelectHealth as soon as you know you will be using a Nonparticipating Provider or Facility for any of the Services listed. Preauthorization is valid for up to six months.

11.1.4 Penalties
If you fail to obtain Preauthorization when required, Benefits may be reduced or denied if you do not Preauthorize certain Services. If reduced, the Allowed Amount will be cut by 50 percent and Benefits will apply to what remains according to regular Plan guidelines. You will be responsible for the 50 percent penalty, your Copay, Coinsurance, and Deductible, and you may be responsible for any amount that exceeds the Allowed Amount.

11.1.5 Statement of Rights Under the Newborns’ and Mothers’ Health Protection Act
Group health plans and health insurance issuers generally may not, under federal law, restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a Provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

11.2 Case Management
If you have certain serious or chronic conditions (such as spinal cord injuries, diabetes, asthma, or premature births), SelectHealth will work with you and your family, your Provider, and community resources to coordinate a comprehensive plan of care. This integrated approach helps you obtain appropriate care in cost-effective settings and reduces some of the burden that you and your family might otherwise face.

11.3 Benefit Exceptions
On a case-by-case basis, SelectHealth may extend or add Benefits that are not otherwise expressly covered or are limited by the Plan. In making this decision, SelectHealth will consider the medical appropriateness and cost effectiveness of the proposed exception.

When making such exceptions, SelectHealth reserves the right to specify the Providers, Facilities, and circumstances in which the additional care will be provided and to limit payment for additional Services to the amount SelectHealth would have paid had the Service been provided in accordance with the other provisions of the Plan. Benefits paid under this section are subject to all other Member payment obligations of the Plan such as Copays, Coinsurance, and Deductibles.

11.4 Second Opinions/Physical Examinations
After enrollment, SelectHealth has the right to request that you be examined by a mutually agreed upon Provider concerning a claim, a second opinion request, or a request for Preauthorization. SelectHealth will be responsible for paying for any such physical examination.

11.5 Medical Policies
SelectHealth has developed medical policies to serve as guidelines for coverage decisions. These guidelines detail when certain Services are considered Medically Necessary or Experimental and/or Investigational by SelectHealth. Medical policies do not supersede the express provisions of this Certificate. Coverage decisions are subject to all terms and conditions of the applicable Plan, including specific Exclusions and Limitations. Because medical policies are based on constantly changing science, they are periodically reviewed and updated by SelectHealth. For questions about SelectHealth’s medical policies, call Member Services at 800-538-5038.
SECTION 12 CLAIMS AND APPEALS

12.1 Administrative Consistency

SelectHealth will follow administrative processes and safeguards designed to ensure and to verify that Benefit claim determinations are made in accordance with the provisions of the Plan and that its provisions have been applied consistently with respect to similarly situated Claimants.

12.2 Claims and Appeals Definitions

This section uses the following additional (capitalized) defined terms:

12.2.1 Adverse Benefit Determination
Any of the following: a Rescission of coverage or a denial, reduction, or termination of a claim for Benefits, or a failure to provide or make payment for such a claim in whole or in part, including determinations related to a Claimant’s Eligibility, the application of a review under SelectHealth Healthcare Management Program, and determinations that particular Services are Experimental and/or Investigational or not Medically Necessary or appropriate.

12.2.2 Appeal(s)
Review by SelectHealth of an Adverse Benefit Determination.

12.2.3 Authorized Representative
Someone you have designated to represent you in the claims or Appeals process. To designate an Authorized Representative, you must provide written authorization on a form provided by the Appeals Department or Member Services. However, where an Urgent Preservice Claim is involved, a healthcare professional with knowledge of the medical condition will be permitted to act as your Authorized Representative without a prior written authorization. In this section, the words you and your include your Authorized Representative.

12.2.4 Benefit Determination
The decision by SelectHealth regarding the acceptance or denial of a claim for Benefits.

12.2.5 Claimant
Any Subscriber or Member making a claim for Benefits. Claimants may file claims themselves or may act through an Authorized Representative. In this section, the words you and your are used interchangeably with Claimant.

12.2.6 Concurrent Care Decisions
Decisions by SelectHealth regarding coverage of an ongoing course of treatment that has been approved in advance.

12.2.7 External Review
A review by an outside entity, at no cost to the Member, of an Adverse Benefit Determination (including a Final Internal Adverse Benefit Determination).

12.2.8 Final Internal Adverse Benefit Determination
An Adverse Benefit Determination that has been upheld by SelectHealth at the completion of the mandatory Appeals process.

12.2.9 Independent Review Organization (IRO)
An entity that conducts independent External Reviews.

12.2.10 Postservice Appeal
A request to change an Adverse Benefit Determination for Services you have already received.

12.2.11 Postservice Claim
Any claim related to Services you have already received.

12.2.12 Preservice Appeal
A request to change an Adverse Benefit Determination on a Preservice Claim.
12.2.13  Preservice Claim

Any claim that requires approval prior to obtaining Services for you to receive full Benefits. For example, a request for Preauthorization under the Healthcare Management program is a Preservice Claim.

12.2.14  Urgent Preservice Claim

Any Preservice Claim that, if subject to the normal timeframes for determination, could seriously jeopardize your life, health or ability to regain maximum function or that, in the opinion of your treating Physician, would subject you to severe pain that could not be adequately managed without the requested Services. Whether a claim is an Urgent Preservice Claim will be determined by an individual acting on behalf of SelectHealth applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine. However, any claim that your treating Physician determines is an Urgent Preservice Claim will be treated as such.

12.3  How to File a Claim for Benefits

12.3.1  Urgent Preservice Claims

In order to file an Urgent Preservice Claim, you must provide SelectHealth with:

a. Information sufficient to determine to what extent Benefits are covered by the Plan; and
b. A description of the medical circumstances that give rise to the need for expedited review.

Under certain circumstances provided by federal law, if you fail to follow the proper procedures for filing an Urgent Preservice Claim, SelectHealth will notify you of the failure and the proper procedures to be followed. SelectHealth will notify you as soon as reasonably possible, but no later than 24 hours after receiving the claim. This notice may be verbal unless you specifically request otherwise in writing.

Notice of a Benefit Determination will be provided as soon as possible, taking into account the medical circumstances, but no later than 72 hours after receipt of the claim. However, if SelectHealth gives you notice of an incomplete claim, the notice will give you at least 48 hours to provide the requested information. SelectHealth will then provide a notice of Benefit Determination within 48 hours after receiving the specified information or the end of the period of time given you to provide the information, whichever occurs first. If the Benefit Determination is provided verbally, it will be followed in writing no later than three days after the verbal notice.

If the Urgent Preservice Claim involves a Concurrent Care Decision, notice of the Benefit Determination will be provided as soon as possible but no later than 24 hours after receipt of your claim for extension of treatment or care, as long as the claim is made at least 24 hours before the prescribed period of time expires or the prescribed number of treatments ends.

12.3.2  Other Preservice Claims

The procedure for filing most Preservice Claims (Preauthorization) is set forth in Section 11 Healthcare Management. If there is any other Benefit that would be subject to a Preservice Claim, you may file a claim for that Benefit by contacting Member Services. Under certain circumstances provided by federal law, if you fail to follow the proper procedures for filing a Preservice Claim, SelectHealth will provide notice of the failure and the proper procedures to be followed. This notification will be provided as soon as reasonably possible, but no later than five days after receipt of the claim, and may be verbal unless you specifically request it in writing.
Notice of a Benefit Determination will be provided in writing within a reasonable period appropriate to the medical circumstances, but no later than 15 days after receipt of the claim. However, SelectHealth may extend this period for up to an additional 15 days if SelectHealth: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 15-day period, of the circumstances requiring the extension and the date by which SelectHealth expects to render a decision. If an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will describe the required information, and you will be given 60 days from your receipt of the notice to provide the requested information.

Notice of an Adverse Benefit Determination regarding a Concurrent Care Decision will be provided sufficiently in advance of any termination or reduction of Benefits to allow you to Appeal and obtain a determination before the Benefit is reduced or terminates.

12.3.3 Postservice Claims

a. Participating Providers and Facilities. Participating Providers and Facilities file Postservice Claims with SelectHealth and SelectHealth makes payment to the Providers and Facilities.

b. Nonparticipating Providers and Facilities. Nonparticipating Providers and Facilities are not required to file claims with SelectHealth. If a Nonparticipating Provider or Facility does not submit a Postservice Claim to SelectHealth or you pay the Nonparticipating Provider or Facility, you must submit the claim in writing in a form approved by SelectHealth. Call Member Services or your employer to find out what information is needed to submit a Postservice Claim. All claims must be received by SelectHealth within a 12-month period from the date of the expense or as soon as reasonably possible. Claims received outside of this timeframe will be denied. Failure to file a claim does not bar recovery under the policy if SelectHealth fails to show it was prejudiced by the failure.

Notice of Adverse Benefit Determinations will be provided in writing within a reasonable period of time, but no later than 30 days after receipt of the claim. However, SelectHealth may extend this period for up to an additional 15 days if SelectHealth: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 30-day period, of the circumstances requiring the extension and the date by which SelectHealth expects to render a decision.

The applicable time period for the Benefit Determination begins when your claim is filed in accordance with SelectHealth's procedures, even if you have not submitted all the information necessary to make a Benefit Determination.

12.4 Problem Solving

SelectHealth is committed to making sure that any concerns or problems regarding your claims are investigated and resolved as soon as possible. Many situations can be resolved informally by a Member Services representative. Call Member Services at 800-538-5038. SelectHealth offers foreign language assistance.

12.5 Formal Appeals

If you are not satisfied with the result of working with Member Services, you may file a written formal Appeal of any Adverse Benefit Determination. Written formal Appeals should be sent to the SelectHealth Appeals Department. As the delegated claims review fiduciary under your Employer’s Plan, SelectHealth will conduct a full and fair review of your Appeal and has final discretionary authority and responsibility for deciding all matters regarding Eligibility and coverage.

12.5.1 General Rules and Procedures

You will have the opportunity to submit written comments, documents, records, and other information relating to your Appeal. SelectHealth will consider this information regardless of whether it was considered in the Adverse Benefit Determination.
During an Appeal, no deference will be afforded to the Adverse Benefit Determination, and decisions will be made by fiduciaries who did not make the Adverse Benefit Determination and who do not report to anyone who did. If the Adverse Benefit Determination was based on medical judgment, including determinations that Services are Experimental and/or Investigational or not Medically Necessary, the fiduciaries during any Appeal will consult with a medical professional with appropriate training and experience in the appropriate field of medicine and who was neither consulted in connection with the Adverse Benefit Determination nor is the subordinate of such an individual. Upon request, you will be provided the identification of any medical expert(s) whose advice was obtained on behalf of SelectHealth in connection with the Adverse Benefit Determination, whether or not the advice was relied upon in making the Adverse Benefit Determination.

Before SelectHealth can issue a Final Internal Adverse Benefit Determination, you will be provided with any new or additional evidence or rationale considered, relied upon, or generated by SelectHealth in connection with the claim. Such evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of a Final Internal Benefit Determination is required to be provided to give you a reasonable opportunity to respond prior to the date.

12.5.2 Form and Timing

All requests for an Appeal of an Adverse Benefit Determination (other than those involving an Urgent Preservice Claim) must be in writing and should include a copy of the Adverse Benefit Determination and any other pertinent information that you want SelectHealth to review in conjunction with your Appeal. Send all information to the SelectHealth Appeals Department at the following address:

Appeals Department
P.O. Box 30192
Salt Lake City, Utah 84130-0192

You may Appeal an Adverse Benefit Determination of an Urgent Preservice Claim on an expedited basis either verbally or in writing. You may Appeal verbally by calling the SelectHealth Appeals Department at 844-208-9012, by fax at 801-442-0762, or by emailing appeals@imail.org.

You must file a formal Appeal within 180 days from the date you received notification of the Adverse Benefit Determination.

Appeals that do not comply with the above requirements are not subject to review by SelectHealth or legal challenge.

12.5.3 Appeals Process

As described below, the Appeals process differs for Preservice Claims and Postservice Claims. In each case, there are both mandatory and voluntary reviews. For purposes of the Appeals process only, Preservice Inquiries will be treated like Preservice Claims.

You must exhaust all mandatory reviews before you may pursue civil action, including if applicable under ERISA Section 502(a). It is your choice, however, whether or not to seek voluntary review, and you are not required to do so before pursuing civil action. SelectHealth agrees that any statute of limitations or other legal defense based on timeliness is suspended during the time that any voluntary Appeal is pending. Your decision whether or not to seek voluntary review will have no effect on your rights to any other Benefits. SelectHealth will provide you, upon request, sufficient information to enable you to make an informed decision about whether or not to engage in a voluntary review.

After a mandatory review process, you may choose to pursue civil action, including if applicable under ERISA Section 502(a). Failure to properly pursue the mandatory Appeals process may result in a waiver of the right to challenge the original decision of SelectHealth.

12.5.4 Preservice Appeals

The process for appealing a Preservice Claim provides one mandatory review, possible voluntary reviews, and the right to pursue civil action, including if applicable under ERISA Section 502(a).
Mandatory Review

Your Appeal will be investigated by the Appeals Department. All relevant, available information will be reviewed. The Appeals Department will notify you in writing of the Appeal decision within a reasonable period of time appropriate to the medical circumstances, but no later than 30 days after the receipt of your Appeal. However, SelectHealth may extend this period if SelectHealth: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 30-day period, of the circumstances requiring the extension and the date by which SelectHealth expects to render a decision.

If your Appeal involves an Urgent Preservice Claim, you may request an expedited review. You will be notified of the Appeal decision on an expedited review as soon as possible, taking into account the medical circumstances, but no later than 72 hours after the receipt of your Appeal. A decision communicated verbally will be followed up in writing.

Voluntary Review

After completing the mandatory review process described above, you may pursue a voluntary External Review or a voluntary internal review. However, External Review is only available in the circumstances described below. If you choose to pursue a voluntary External Review, you may not pursue the voluntary internal review process.

Voluntary External Review

You may request an External Review of your Appeal by an Independent Review Organization (IRO) if you are appealing a Final Internal Adverse Benefit Determination regarding Medical Necessity, appropriateness, health care setting, level of care, effectiveness of a Covered Benefit, utilization review, Experimental and/or Investigational, or a Rescission of coverage. To request an External Review, you must complete the Independent Review Request Form. For a copy of this form, or for other questions, contact the Utah Insurance Commissioner by mail at Suite 3110 State Office Building, Salt Lake City, UT 84114; by phone at 801-538-3077; or electronically at healthappeals.uid@utah.gov. An External Review request must be made within 180 days from the date the Appeals Department notifies you of the Final Internal Adverse Benefit Determination. An authorization to obtain medical records may be required. Also, you will be subject to additional requirements for an External Review regarding Experimental and/or Investigational Services. The IRO will provide written notice of its decision within 45 days after receipt of the request.

If your Appeal involves an Urgent Preservice Claim, you may request an expedited review. You will be notified by the IRO of the Appeal decision on an expedited review as soon as possible, taking into account the medical circumstances, but no later than 72 hours after the receipt of your Appeal. A decision communicated verbally will be followed up in writing.

If you pursue a voluntary External Review, it will be your last level of Appeal.
Voluntary Internal Review

If you choose to pursue the voluntary internal review process, you may request a review of your Appeal. Depending on the nature of the Appeal, it will be considered by the Administrative and Clinical Appeal Review Committee. Such a request must be made in writing to the Appeals Department within 60 days of the date the Appeals Department notifies you of the Final Internal Adverse Benefit Determination. SelectHealth will notify you of the result of the review in writing within 30 days of the date you requested the review. However, SelectHealth may extend this period if SelectHealth: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 30-day period, of the circumstances requiring the extension and the date by which SelectHealth expects to render a decision. If you are not satisfied with the decision made by the reviewing committee, you may request a review by the SelectHealth Appeals Committee. Such a request must be made in writing to the Appeals Department within 60 days of the date the reviewing committee notifies you of its decision.

12.5.5 Postservice Appeals

The process for appealing a Postservice Claim provides one mandatory review, possible voluntary reviews, and the right to pursue civil action, including if applicable under ERISA Section 502(a).

Mandatory Review

Your Appeal will be investigated by the Appeals Department. All relevant information will be reviewed. The Appeals Department will notify you in writing of the Appeal decision within a reasonable period of time appropriate to the medical circumstances, but no later than 60 days after the receipt of your Appeal. However, SelectHealth may extend this period if SelectHealth: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 60-day period, of the circumstances requiring the extension and the date by which SelectHealth expects to render a decision.

Voluntary Review

After completing the mandatory review process described above, you may pursue either a voluntary External Review process or a voluntary internal review process. However, External Review is only available in the circumstances described below. If you choose to pursue the voluntary External Review process, you may not pursue the voluntary internal review process.

Voluntary External Review

You may request an External Review of your Appeal by an Independent Review Organization (IRO) if you are appealing a Final Internal Adverse Benefit Determination regarding Medical Necessity, appropriateness, health care setting, level of care, effectiveness of a Covered Benefit, utilization review, Experimental and/or Investigational, or a Rescission of coverage. To request an External Review you must complete the Independent Review Request Form. Also, you will be subject to additional requirements for an External Review regarding Experimental and/or Investigational Services. For a copy of this form, or for other questions, contact the Utah Insurance Commissioner by mail at Suite 3110 State Office Building, Salt Lake City, UT 84114; by phone at 801-538-3077; or electronically at healthappeals.uid@utah.gov. An External Review request must be made within 180 days from the date SelectHealth sends the Final Internal Adverse Benefit Determination. An authorization to obtain medical records may be required. The IRO will provide written notice of its decision within 45 days after receipt of the request.

If you pursue a voluntary External Review, it will be your last level of Appeal.

Voluntary Internal Review

If you choose to pursue the voluntary internal review process, you may request a voluntary internal review of your Final Internal Adverse Benefit Determination by the SelectHealth Appeals Committee. Such a request must be made in writing to the Appeals Department within 60 days of the date the Appeals Department notifies you of its decision.
SECTION 13 OTHER PROVISIONS AFFECTING YOUR BENEFITS

13.1 Coordination of Benefits (COB)

When you or your Dependents have healthcare coverage under more than one health benefit plan, SelectHealth will coordinate Benefits with the other healthcare coverage according to the COB rules set forth in Utah Administrative Code R590-131.

13.1.1 Required Cooperation

You are required to cooperate with SelectHealth in administering COB. Cooperation may include providing notice of other health benefit coverage, copies of divorce decrees, bills and payment notices from other payers, and/or signing documents required by SelectHealth to administer COB. Failure to cooperate may result in the denial of claims.

13.1.2 Direct Payments

SelectHealth may make a direct payment to another health benefit plan when the other plan has made a payment that was the responsibility of SelectHealth. This amount will be treated as though it was a Benefit paid by the Plan, and SelectHealth will not have to pay that amount again.

13.2 Subrogation, Reimbursement and Recovery

13.2.1 Payment of Claims When a Third Party is Liable

When you or your Dependents have an illness or injury caused by another, a third party (including an insurance company) may be liable for damages or may be willing to pay money in settlement of a claim. This Plan does not cover Benefits for Services you or your Dependents receive for illnesses and injuries when the medical expenses are the responsibility of, or are paid by, a third party (or a third party’s insurer) who has caused the illness or injury. In situations where SelectHealth determines that a third party may be liable for your or your Dependent’s medical expenses, SelectHealth may nonetheless agree to conditionally pay the claims relating to such expenses in advance pending a final determination of a) whether a third party or you are responsible for such expenses instead of SelectHealth; and/or b) the claims are excluded from coverage under this Plan. Each Member agrees to reimburse SelectHealth for such conditional payments when a final determination is made by SelectHealth that it is not responsible for the payment of such claims.

13.2.2 SelectHealth’s Recovery Rights

If SelectHealth pays benefits under this Plan for an illness or injury and SelectHealth determines that a third party is or may be responsible or liable for damages to you or your Dependents, SelectHealth has the right to recover Benefits paid under this Plan and is subrogated to all and any of your or your Dependent’s rights to recover from the third party and to any money paid in settlement of a claim, but only up to the amount of the Benefits provided by the Plan. SelectHealth is entitled to reimbursement and/or recovery under this section 13.2 from any judgment, award, and other types of recovery or settlement received by you, your Dependents and/or your or your Dependent’s representatives, regardless of whether the recovery is characterized as relating to medical expenses. SelectHealth is entitled to reimbursement even if you or your covered Dependent is not made whole or fully compensated by the recovery. You and your Dependents are required by this Plan, and agree, to promptly notify SelectHealth when the terms of this Section 13.2 might apply.

The terms of section 13.2 shall apply regardless of state laws to the contrary. If the person for whom Plan Benefits are paid is a minor, any amount recovered by the minor, the minor’s trustee, guardian, parent, or other representative, shall be subject to this section 13.2 regardless of whether the minor’s representative has access to or control of the recovered funds. The provisions of this section 13.2 are binding upon you and your Dependents and binding upon your and your Dependent’s guardians, heirs, executors, assigns and other representatives.
13.2.3 Agreement by Members

As a condition to receiving Benefits under the Plan, you and your Dependent(s) agree (a) that SelectHealth is automatically subrogated to, and has a right to receive restitution from, any right of recovery you may have against any third party as the result of an accident, illness, injury, or other condition involving the third party that causes you or your Dependents to obtain Covered Services that are paid for by SelectHealth; (b) that SelectHealth is entitled to receive as restitution the proceeds of any judgment, settlement, or other payment paid or payable in satisfaction of any claim or potential claim that you or your Dependents have or could assert against the third party to the extent of all Benefits paid by SelectHealth or payable in the future because of the third-party; (c) not to bring or assert a make whole, common fund, collateral source or other apportionment action or claim in contravention of SelectHealth’s rights described in this section 13.2; (d) not to spend or otherwise disburse funds received under a settlement agreement or from an insurance company or other third party until such time as SelectHealth has been paid or reimbursed for the amounts due to SelectHealth under this section 13.2; (e) to cooperate with SelectHealth to effectuate the terms of this section 13.2 and to do whatever may be necessary to secure the recovery by SelectHealth of the amount of the Benefits paid, including execution of all appropriate papers, furnishing of information and assistance; and (f) not to interfere with SelectHealth’s rights under this Section 13.2 and not to take any action that prejudices SelectHealth’s rights under this Section 13.2, including settling a dispute with a third party without protecting SelectHealth’s rights under this Section 13.2.

If requested to do so by SelectHealth, you and your Dependents must execute a written recovery agreement as a condition of payment on claims arising from injuries or illnesses caused by third parties. If your Dependent is so injured or has such an illness, both you and your Dependent are required to execute the written recovery agreement. If the injured or ill person is a minor or legally incompetent, the written recovery agreement must be executed by the person’s parent(s), managing conservator and/or guardian. If you or your Dependent has died, your or your Dependent’s legal representative must execute the agreement. Any Plan benefits paid must be returned to SelectHealth immediately in the event that SelectHealth requests that a written recovery agreement be signed and there is a failure or refusal to execute the recovery agreement. SelectHealth’s rights, however, are not waived if SelectHealth does not request a written recovery agreement under this section 13.2.

13.2.4 Constructive Trust and First Lien

Any funds you and/or your Dependents (or your or your Dependent’s agent or attorney) recover by way of settlement, judgment, or other award from a third party or from your or your Dependent’s own insurance shall be held by you and/or your Dependents (or your or your Dependent’s agent or attorney) in a constructive trust for the benefit of SelectHealth until SelectHealth’s rights under this section 13.2 have been satisfied. SelectHealth will have, and you and your Dependents grant, a first lien upon any recovery, whether by settlement, judgment, arbitration or mediation, that you or your covered Dependents receive or are entitled to receive from any source, regardless of whether you or your covered Dependents receive a full or partial recovery. Any settlement or recovery received shall first be deemed to be reimbursement of medical expenses paid under this Plan. These first priority rights will not be reduced due to you or your covered Dependent’s own negligence. You and/or your Dependents (or your or your Dependent’s agent or attorney) will be personally liable for the restitution amount required under this section 13.2 to the extent that SelectHealth does not recover that amount due to a failure by you and/or your Dependents (or your or your Dependent’s agent or attorney) to follow the required process.

13.2.5 Rights to Intervene and Sue

SelectHealth shall have the right to intervene in any lawsuit, threatened lawsuit, or settlement negotiation involving a third party for purposes of asserting and collecting SelectHealth’s restitution and other interests described in this section 13.2. SelectHealth shall have the right to bring a lawsuit against, or assert a counterclaim or cross-claim against, you (or your agent or attorney) for purposes of collecting restitution or other interests under this section 13.2, to enforce the constructive trust required by this section 13.2, and/or take any other action to collect funds from you.

LE-CERT SHRE HMO 01/01/19
SelectHealth is entitled to institute these actions in its own name or in your or your Dependents name or to join any action brought by you, your Dependents or your representatives, with or without specific consent, and to participate in any judgment, award or settlement to the extent of SelectHealth’s interest. You and your Dependents must notify SelectHealth before filing any suit or settling any claim so as to enable SelectHealth to participate in the suit or settlement to protect and enforce SelectHealth’s rights under this subrogation provision. You and your Dependents agree to keep SelectHealth fully informed and advised of all developments in any such suit or settlement negotiations.

The amount that SelectHealth is entitled to recover from you and your Dependents under this section 13.2 is specifically unreduced by any attorney, legal or other fees and costs incurred by you or your Dependents in seeking recovery from a third party (whether the third party is the responsible party or is an insurer), except if SelectHealth specifically agrees in writing to participate in these fees.

If you or your Dependents fail to fully cooperate with SelectHealth or its designated agents in asserting its rights under this section 13.2, SelectHealth may reduce or deny coverage under the Plan and offset against any future claims. Further, SelectHealth may compromise with you or your Dependents on any issue involving subrogation/restitution in a way that includes you or your Dependents surrendering the right to receive further Services under the Plan.

13.2.6 Special Subrogation Rules for Utah

Notwithstanding anything else in this Section 13.2 to the contrary, SelectHealth’s rights under this section 13.2, when SelectHealth is asserting rights against underinsured/uninsured motorist coverage subject to Utah Code Annotated sections 31A-22-305 or 31A-22-305.3 shall be limited to situations in which you or your Dependents have been made whole.

13.3 Excess Payment

SelectHealth will have the right to recover any payment made in excess of the obligations of SelectHealth under the Contract. Such recoveries are limited to a time period of 12 months (or 24 months for a COB error) from the date a payment is made unless the recovery is due to fraud or intentional misrepresentation of material fact by you or your Dependents. This right of recovery will apply to payments made to you, your Dependents, your employer, Providers, or Facilities. If an excess payment is made by SelectHealth to you, you agree to promptly refund the amount of the excess. SelectHealth may, at its sole discretion, offset any future Benefits against any overpayment.

a. In accordance with generally accepted standards of medical practice in the United States;

b. Clinically appropriate in terms of type, frequency, extent, site, and duration; and

c. Not primarily for the convenience of the patient, Physician, or other Provider.

When a medical question-of-fact exists, Medical Necessity shall include the most appropriate available supply or level of service for the Member in question, considering potential benefit and harm to the Member.

Medical Necessity is determined by the treating Physician and by SelectHealth’s Medical Director or his or her designee. The fact that a Provider or Facility, even a Participating Provider or Facility, may prescribe, order, recommend, or approve a Service does not make it Medically Necessary, even if it is not listed as an Exclusion or Limitation. FDA approval, or other regulatory approval, does not establish Medical Necessity.

8.1.12 Preservice Appeal
A request to change an Adverse Benefit Determination on a Preservice Claim.

8.1.13 Preservice Claim
Any claim related to care or treatment that has not been received by the Member.

8.1.14 Urgent Preservice Claim
Any Preservice Claim that if subject to the normal timeframes for determination could seriously jeopardize your life, health, or ability to regain maximum function or that, in the opinion of your treating Physician, would subject you to severe pain that could not adequately be managed without the requested Services. Whether a claim is an Urgent Preservice Claim will be determined by an individual acting on behalf of ASH applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine. However, any claim that your treating Physician determines is an Urgent Preservice Claim will be treated as such.

8.3 How to File a Claim for Benefits
8.3.1 Urgent Preservice Claims
In order to file an Urgent Preservice Claim, you must provide ASH with:

- a. Information sufficient to determine to what extent Benefits are covered by the Plan; and
- b. A description of the medical circumstances that give rise to the need for expedited review.

Under certain circumstances provided by federal law, if you fail to follow the proper procedures for filing an Urgent Preservice Claim, ASH will notify you of the failure and the proper procedures to be followed. ASH will notify you as soon as reasonably possible, but no later than 24 hours after receiving the claim. This notice may be verbal unless you specifically request otherwise in writing.

Notice of a Benefit Determination will be provided as soon as possible, taking into account the medical circumstances, but no later than 72 hours after receipt of the claim. However, if ASH gives you notice of an incomplete claim, the notice will give you at least 48 hours to provide the requested information. ASH will then provide a notice of Benefit Determination within 48 hours after receiving the specified information or the end of the period of time given you to provide the information, whichever occurs first. If the Benefit Determination is provided verbally, it will be followed in writing no later than three days after the verbal notice.

If the Urgent Preservice Claim involves a Concurrent Care Decision, notice of the Benefit Determination will be provided as soon as possible but no later than 24 hours after receipt of your claim for extension of treatment or care, as long as the claim is made at least 24 hours before the prescribed period of time expires or the prescribed number of treatments ends.

8.3.2 Other Preservice Claims
The procedure for filing most Preservice Claims (Preauthorization) is set forth in Section 11B"Healthcare Management." If there is any other Benefit that would be subject to a Preservice Claim, you may file a claim for that Benefit by contacting ASH Member Services. Under certain circumstances provided by federal law, if you fail to follow the proper procedures for filing a Preservice Claim, ASH will provide notice of the failure and the proper procedures to be followed. This notification will be provided as soon as reasonably possible, but no later than five days after receipt of the claim, and may be verbal unless you specifically request it in writing.
Notice of a Benefit Determination will be provided in writing within a reasonable period of time appropriate to the medical circumstances, but no later than 15 days after receipt of the claim. However, ASH may extend this period for up to an additional 15 days if ASH: (1) determines that such an extension is necessary due to matters beyond its control; and (2) provides you written notice, prior to the end of the original 15-day period, of the circumstances requiring the extension and the date by which ASH expects to render a decision. If an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will describe the required information, and you will be given 60 days from your receipt of the notice to provide the requested information.

Notice of an Adverse Benefit Determination regarding a Concurrent Care Decision will be provided sufficiently in advance of any termination or reduction of Benefits to allow you to Appeal and obtain a determination before the Benefit is reduced or terminates.

8.3.3 Postservice Claims

a. Participating Practitioner(s) and Facilities. Participating Practitioner(s) and Facilities file Postservice Claims with ASH and ASH makes payment to the Providers and Facilities.

b. Nonparticipating Practitioner(s) and Facilities. Nonparticipating Practitioner and Facilities are not required to file claims with ASH. If a Nonparticipating Practitioner or Facility does not submit a Postservice Claim to ASH or you pay the Nonparticipating Practitioner or Facility, you must submit the claim in writing in a form approved by ASH. Call ASH Member Services or your employer to find out what information is needed to submit a Postservice Claim. All claims must be received by ASH within a 12-month period from the date of the expense or as soon as reasonably possible. Claims received outside of this timeframe will be denied.

Notice of Adverse Benefit Determinations will be provided in writing within a reasonable period of time, but no later than 30 days after receipt of the claim. However, ASH may extend this period if ASH: (1) determines that such an extension is necessary due to matters beyond its control; and (2) provides you written notice, prior to the end of the original 30-day period, of the circumstances requiring the extension and the date by which ASH expects to render a decision.

The applicable time period for the Benefit Determination begins when your claim is filed in accordance with ASH’s procedures, even if you have not submitted all the information necessary to make a Benefit Determination.

8.4 Problem Solving

ASH is committed to making sure that any concerns or problems regarding your claims are investigated and resolved as soon as possible. Many situations can be resolved informally by contacting ASH Member Services at 800-678-9133.

8.5 Formal Appeals

If you are not satisfied with the result of working with ASH Member Services, you may file a written formal Appeal of any Adverse Benefit Determination. Written formal Appeals should be sent to the ASH Appeals Department. As the delegated claims reviewer for your Employer’s Plan, ASH will conduct a full and fair review of your Appeal and has final discretionary authority and responsibility for deciding all matters regarding Eligibility and coverage.

8.5.1 General Rules and Procedures

You will have the opportunity to submit written comments, documents, records, and other information relating to your Appeal. ASH will consider this information regardless of whether it was considered in the Adverse Benefit Determination.
During an Appeal, no deference will be afforded to the Adverse Benefit Determination, and decisions will be made by fiduciaries who did not make the Adverse Benefit Determination and who do not report to anyone who did. If the Adverse Benefit Determination was based on medical judgment, including determinations that Services are Experimental and/or Investigational or not Medically Necessary, the fiduciaries during any Appeal will consult with a medical professional with appropriate training and experience in the appropriate field of medicine and who was neither consulted in connection with the Adverse Benefit Determination nor is the subordinate of such an individual. Upon request, you will be provided the identification of any medical expert(s) whose advice was obtained on behalf of ASH in connection with the Adverse Benefit Determination, whether or not the advice was relied upon in making the Adverse Benefit Determination.

Before ASH can issue a Final Internal Adverse Benefit Determination, you will be provided with any new or additional evidence or rationale considered, relied upon, or generated by us in connection with the claim. Such evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of a Final Internal Benefit Determination is required to be provided to give you a reasonable opportunity to respond prior to the date.

8.5.2 Form and Timing

All requests for an Appeal of an Adverse Benefit Determination (other than those involving an Urgent Preservice Claim) must be in writing and should include a copy of the Adverse Benefit Determination and any other pertinent information that you want ASH to review in conjunction with your Appeal. Send all information to the ASH Appeals Department at the following address:

ASH Appeals Coordinator
P.O. Box 509001
San Diego, CA 92150-9002

You may Appeal an Adverse Benefit Determination of an Urgent Preservice Claim on an expedited basis either verbally or in writing. You may Appeal verbally by calling the ASH Appeals Department at 800-678-9133.

If the request is made verbally, the ASH Appeals Department will within 24 hours send written confirmation acknowledging the receipt of your request.

You must file a formal Appeal within 180 days from the date you received notification of the Adverse Benefit Determination.

Appeals that do not comply with the above requirements are not subject to review by ASH or legal challenge.

8.5.3 Appeals Process

The Appeals process includes both mandatory and voluntary reviews. You must exhaust all mandatory reviews before you may pursue civil action under ERISA Section 502(a). It is your choice, however, whether or not to seek voluntary review, and you are not required to do so before pursuing civil action. ASH agrees that any statute of limitations or other legal defense based on timeliness is suspended during the time that any voluntary Appeal is pending. Your decision whether or not to seek voluntary review will have no effect on your rights to any other Benefits. ASH will provide you, upon request, sufficient information to enable you to make an informed decision about whether or not to engage in a voluntary review.

After a mandatory review process, you may choose to pursue civil action under ERISA Section 502(a). Failure to properly pursue the mandatory Appeals process may result in a waiver of the right to challenge ASH’s original decision.

8.5.4 Preservice Appeals

The process for appealing a Preservice Claim provides one mandatory review, possible voluntary reviews, and the right to pursue civil action under ERISA Section 502(a).
**Mandatory Review**

Your Appeal will be investigated by the ASH Appeals Department. All relevant, available information will be reviewed. The ASH Appeals Department will notify you in writing of the Appeal decision within a reasonable period of time appropriate to the medical circumstances, but no later than 30 days after the receipt of your Appeal. However, ASH may extend this period if ASH: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 30-day period, of the circumstances requiring the extension and the date by which ASH expects to render a decision.

If your Appeal involves an Urgent Preservice Claim, you may request an expedited review. You will be notified of the Appeal decision on an expedited review as soon as possible, taking into account the medical circumstances, but no later than 72 hours after the receipt of your Appeal. A decision communicated verbally will be followed up in writing.

**Voluntary Review**

After completing the mandatory review process described above, you may pursue a voluntary External Review or a voluntary internal review. However, External Review is only available in the circumstances described below. If you choose to pursue a voluntary External Review, you may not pursue the voluntary internal review process.

**Voluntary External Review**

You may request an External Review of your Appeal by an Independent Review Organization (IRO) if you are appealing a Final Internal Adverse Benefit Determination regarding Medical Necessity, appropriateness, health care setting, level of care, effectiveness of a Covered Benefit, utilization review, Experimental and/or Investigational, or a Rescission of coverage. To request an External Review, you must complete the Independent Review Request Form. For a copy of this form, or for other questions, contact the Utah Insurance Commissioner by mail at Suite 3110 State Office Building, Salt Lake City, UT 84114; by phone at 801-538-3077; or electronically at healthappeals.uid@utah.gov. An External Review request must be made within 180 days from the date the ASH Appeals Department notifies you of the Final Internal Adverse Benefit Determination.

An authorization to obtain medical records may be required. Also, you will be subject to additional requirements for an External Review regarding Experimental and/or Investigational Services. The IRO will provide written notice of its decision within 45 days after receipt of the request.

If your Appeal involves an Urgent Preservice Claim, you may request an expedited review. You will be notified by the IRO of the Appeal decision on an expedited review as soon as possible, taking into account the medical circumstances, but no later than 72 hours after the receipt of your Appeal. A decision communicated verbally will be followed up in writing.

If you pursue a voluntary External Review, it will be your last level of Appeal.
Voluntary Internal Review

If you choose to pursue the voluntary internal review process, you may first request a review of your Appeal by the ASH Grievance Committee. Such a request must be made in writing to the ASH Appeals Department within 60 days of the date the ASH Appeals Department notifies you of the Final Internal Adverse Benefit Determination. ASH will notify you of the result of the review in writing within 30 days of the date you requested the review. However, ASH may extend this period if ASH: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 30-day period, of the circumstances requiring the extension and the date by which ASH expects to render a decision.

Voluntary Review

After completing the mandatory review process described above, you may pursue either a voluntary External Review or a voluntary internal review. However, External Review is only available in the circumstances described below. If you choose to pursue the voluntary External Review process, you may not pursue the voluntary internal review process.

Voluntary External Review

You may request an External Review of your Appeal by an Independent Review Organization (IRO) if you are appealing a Final Internal Adverse Benefit Determination regarding Medical Necessity, appropriateness, health care setting, level of care, effectiveness of a Covered Benefit, utilization review, Experimental and/or Investigational, or a Rescission of coverage. To request an External Review you must complete the Independent Review Request Form. Also, you will be subject to additional requirements for an External Review regarding Experimental and/or Investigational Services. For a copy of this form, or for other questions, contact the Utah Insurance Commissioner by mail at Suite 3110 State Office Building, Salt Lake City, UT 84114; by phone at 801-538-3077; or electronically at healthappeals.uid@utah.gov. An External Review request must be made within 180 days from the date of ASH’s Final Internal Adverse Benefit Determination. An authorization to obtain medical records may be required. The IRO will provide written notice of its decision within 45 days after receipt of the request.

If you pursue a voluntary External Review, it will be your last level of Appeal.

8.5.5 Postservice Appeals

The process for appealing a Postservice Claim provides two mandatory reviews, possible voluntary reviews, and the right to pursue civil action under ERISA Section 502(a).

Mandatory Review

Your Appeal will be investigated by the ASH Appeals Department. All relevant information will be reviewed and the ASH Appeals Department will notify you in writing of the Appeal decision within a reasonable period of time appropriate to the medical circumstances, but no later than 30 days after the receipt of your Appeal. However, ASH may extend this period if ASH: 1) determines that such an extension is necessary due to matters beyond its control; and 2) provides you written notice, prior to the end of the original 30-day period, of the circumstances requiring the extension and the date by which ASH expects to render a decision.
Voluntary Internal Review

If you choose to pursue the voluntary internal review process, you may request a review of your Appeal. Such a request must be made in writing to the ASH Appeals Department within 60 days of the date the ASH Appeals Department notifies you of the Final Internal Adverse Benefit Determination. ASH will notify you of the result of the review in writing within 30 days of the date you requested the review. If you are not satisfied with the decision made by the reviewing committee, you may request a review by the Appeals Committee. Such a request must be made in writing to the ASH Appeals Department within 60 days of the date the reviewing committee notifies you of its decision.

S. Department of Health and Human Services).
• Request in writing other restrictions on the use of your health information or amendments to your health information if you think it is wrong, though we may not always be able to grant these requests.
HOW YOUR HEALTH INFORMATION IS USED

Common Uses of Health Information

As we provide health insurance benefits, we will gather some of your health information. The law allows us to use or share this health information for the following purposes:

• To receive payment of health coverage premiums and to determine and fulfill our responsibility to provide you benefits. For example, to make coverage determinations, administer claims, and coordinate benefits with other coverage you may have.
• To improve the overall Intermountain system as well as to help better manage your care. For example, Intermountain has programs in place to manage the treatment of chronic conditions, such as diabetes or asthma, and as part of these programs, we share information with affiliated providers and Intermountain Healthcare to facilitate improved coordination of the care you may receive for these conditions.
• To support healthcare providers in providing treatment.
• To share in limited circumstances health information with your plan sponsor. However, SelectHealth will only do so if the plan sponsor specifically requests health information for the administration of your health plan and agrees in writing not to use your health information for employment-related actions or decisions.
• To identify health-related services that may be beneficial to your health and then contact you about these services.
• To request your support for improving healthcare by contributing to one of Intermountain’s charitable foundations. (If you don’t want to be contacted for this purpose or other fundraising communications, call Intermountain’s Privacy Office at 800 442-4845 to let us know).
• To improve our services to you by allowing companies with whom we contract, called “business associates,” to perform certain specialized work for us. The law requires these business associates to protect your health information and obey the same privacy laws that we do.
• To perform a very limited, specific type of health-related research, where the researcher keeps any patient-identifiable information safe and confidential. Intermountain reviews every research request to make sure your privacy is appropriately protected before sharing any health information.
• To law enforcement, but only as authorized by law (e.g., to investigate a crime against SelectHealth or any of its members).

Required Uses of Health Information

The law sometimes requires us to share information for specific purposes, including the following:

• To the Department of Health to report communicable diseases, traumatic injuries, or birth defects, or for vital statistics, such as a baby’s birth.
• To a funeral director or an organ-donation agency when a patient dies, or to a medical examiner when appropriate to investigate a suspicious death.
• To state authorities to report child or elderly abuse.
• To law enforcement.
• To a correctional institution, if a member is an inmate, to ensure the correctional institution’s safety.
• To the Secret Service or NSA to protect, for example, the country or the President.
• To a medical device’s manufacturer, as required by the FDA, to monitor the safety of a medical device.
• To court officers, as required by law, in response to a court order or a valid subpoena.
• To governmental authorities to prevent serious threats to the public’s health or safety.
• To governmental agencies and other affected parties, to report a breach of health-information privacy.
• To a worker’s compensation program if a person is injured at work and claims benefits under that program.
Uses According to Your Requests

Your preferences matter. If you let us know how you want us to disclose your information in the following situation, we will follow your directions. You decide if you want us to share any health or payment information related to your care with your family members or friends. Please let us know what you want us to share. If you can't tell us what health or payment information you want us to share, we may use our professional judgment to decide what to share with your family or friends for them to be able to help you.

Uses with Your Authorization

Any sharing of your health information, other than as explained above, requires your written authorization. For example, we will not use your health information unless you authorize us in writing to:

- share any of your health information with marketing companies.
- sell any of your health information.

You can change your mind at any time about sharing your health information. Simply notify us in writing. Please understand that we may not be able to get back health information that was shared before you changed your mind.

SPECIAL LEGAL PROTECTIONS FOR CERTAIN HEALTH INFORMATION

SelectHealth complies with federal laws that require extra protection for your health information if you receive treatment in an addiction treatment program, or from a psychotherapist who keeps notes on your therapy that are kept outside of your regular medical record.

SelectHealth is prohibited from using or disclosing genetic information for underwriting purposes.

IF YOU STILL HAVE QUESTIONS

Our Privacy Coordinator can help you with any questions you may have about the privacy of your health information. He can also address any privacy concerns you may have about your health information and can help you fill out any forms that are needed to exercise your privacy rights.
