SelectHealth Plan FEHB: Standard Option (Code SF)

Coverage for: Self Only, Self Plus One or Self and Family | Plan Type: HMO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. Please read the FEHB Plan brochure (RI 73-865) that contains the complete terms of this plan. All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at www.selecthealth.org/fehb, and view the Glossary at www.healthcare.gov/sbc-glossary. You can call 1-844-345-FEHB to request a copy of either document.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network Provider \$ 250/Self Only \$ 500/Self Plus One \$ 500/Self and Family Non-Participating Provider \$ 500/Self Only \$ 1,000/Self Plus One \$ 1,000/Self and Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. <u>Copayments</u> and <u>coinsurance</u> amounts do not count toward your <u>deductible</u> , which generally starts over January 1. When a covered service/supply is subject to a <u>deductible</u> , only the Plan allowance for the service/supply counts toward the deductible. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Network Provider \$ 5,500/Self Only \$11,000/Self Plus One \$11,000/Self and Family Non-Participating Provider \$ 7,500/Self Only \$15,000/Self Plus One \$15,000/Self and Family	The <u>out-of-pocket limit</u> , or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the <u>out-of-pocket limit?</u>	Premiums and health care this Plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if you use a <u>network provider</u> ?	Yes. See www.selecthealth.org/fehb.com or call 1-844-345-FEHB for a list of network providers.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a provider in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
