

# Utah Association plans | 2027

## **Q: What is an association health plan (AHP)?**

A: A health plan offered to member-employers of a bona fide association.

## **Q: How are they beneficial?**

A: They allow small and medium-sized businesses (5-100 enrolled employees) to group together to purchase and access benefits that are typically only available to large employers.

## **Q: Are they well known and established?**

A: Yes. AHPs have been available for many years and are a common offering in most states. Select Health insures many AHP groups.

## **Plan options**

Choose from a variety of plan options, including traditional and HSA-compatible plans.

## **Network options**

Select Health Preference gives you access to both Select Health Value and Select Health Med. Members who reside outside the states of Colorado, Idaho, Nevada, and Utah can access the UnitedHealthcare Options PPO network.

## **Select Health Value® Network**

- This is a great option for members living and looking for care along the Wasatch Front.
- This network includes all Intermountain Health facilities and providers along with access to Huntsman Cancer Institute for a cancer-related diagnosis.

## **Select Health Med® Network**

- This network is available statewide with three times more hospitals and providers than Select Health Value.
- Includes all Intermountain Health providers and facilities, in addition to Huntsman Cancer Institute for a cancer-related diagnosis and Moran Eye Center.
- Benefits are available at out-of-network hospitals and providers for most services.

## **UnitedHealthcare® Options PPO Network**

Select Health Med plans utilize the UnitedHealthcare Options PPO network for those accessing care outside the states of Colorado, Idaho, Nevada, and Utah.
