

2-1-1: The Searchable Guide to Community Resources in Idaho

When you are in need of community resources, **211-idaho.communityos.org** can provide the support you need. 2-1-1 is a free, confidential referral information helpline and website that connects people from all communities and ages to information about social services and community resources:

Food+Meals

Housing + Shelter

**Domestic
Violence**

Transportation

Legal Assistance

Education

**Medical +
Health Care**

Employment

**Financial
Assistance**

**Mental Health
& Addiction**

Disaster Services

Military + Veterans

Get connected to a local community resource specialist today. The specialist can direct you to organizations in the area that provide critical services. Individuals or clinics can create 2-1-1 accounts to manage online resource groups. Access this service using one of the following options:
