2026 Medicare Star Ratings

Select Health - H1994

For 2026, Select Health - H1994 received the following Star Ratings from Medicare:

Overall Star Rating: ★★★★★
Health Services Rating: ★★★★★
Drug Services Rating: ★★★★★

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.
