

# 2-1-1: The Searchable Guide to Community Resources in Nevada

When you are in need of community resources, [nevada211.org](https://nevada211.org) can provide the support you need. 2-1-1 is a free, confidential referral information helpline and website that connects people from all communities and ages to information about social services and community resources:

**Food**

**Housing + Utilities**

**Maternity +  
Infants & Children**

**Transportation**

**Legal Assistance**

**Education**

**Health + Dental**

**Employment**

**Domestic Violence**

**Mental Health  
& Addiction**

**Disaster Services**

**Individual +  
Family Support**

Connect directly to a local community resource specialist with 2-1-1's live chat platform. The specialist can direct you to organizations in the area that provide critical services. Individuals or clinics can create 2-1-1 accounts to manage online resource groups. Access this service using one of the following options:
