<sup>1</sup>Out-of-Network (OON) or Non-Contracting are providers who do not contract with St. Luke's Health Partners (SLHP), BrightPath, SelectCare or PHCS/ MultiPlan. OON providers may bill you for amounts over the maximum allowance. To receive the highest level of benefit available to you, please check to see whether service providers are contracting (in-network) before receiving services (including all lab and other services your provider may order on your behalf).

<sup>2</sup>May be considered for in-network coverage if facility service is not available within the SLHP or BrightPath network.

<sup>3</sup>May be considered for in-network coverage if facility service is not available within the SLHP, BrightPath, AND the SelectCare network.

**This summary chart describes the general features of the plans; it is not a contract. All provisions of the St. Luke's Health System Employee Health Care Plan Document apply.**
