Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$7,900 single/ \$15,800 family in-network and \$18,200 single/ \$36,400 family out-of-network per calendar year.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive</u> care is covered before you meet your <u>Deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Per calendar year. Single: \$7,900 in-network / \$91,000 out-of-network. Family (two or more): \$7,900 person/ \$15,800 family in-network and \$91,000 person/ \$182,000 family out-of-network.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billed</u> charges, <u>preventive services</u> , healthcare this <u>plan</u> doesn't cover, and penalties for failure to obtain <u>preauthorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. To find an in-network SelectHealth Med® <u>provider</u> visit selecthealth.org/findadoctor or call Member Services at 800-538-5038.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
