

UnitedHealthcare® Options PPO Network

THE WORKPLACE HAS CHANGED, SO WE'VE CHANGED TOO.

Employees like you are increasingly working from home. Some of you may be working remotely in a completely different state than your employer. To meet your needs, our SelectHealth Med® plans with out-of-network benefits now include in-network access across the U.S. If you want this national access, make sure you enroll on a SelectHealth Med plan. Here's what you get:

NATIONAL NETWORK

The UnitedHealthcare Options PPO network provides easy access to care outside of Utah, Idaho, and Nevada. This network includes access to 83% of all hospitals and two out of every three healthcare professionals in the U.S.

State	Network
Utah	SelectHealth Med
Idaho	SelectHealth Network, which includes BrightPath and St. Luke's Health Partners
Nevada	SelectHealth Med, Beech Street Network (outside Clark and Nye Counties)
All Other States	UnitedHealthcare Options PPO Network

Visit selecthealth.org/find-a-doctor or use our mobile app to search for in-network doctors and facilities. Remember to choose the right network from the drop-down list.
