For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other **underlined** terms see the Glossary. Important Questions	Answers	Why this Matters:
What is the overall deductible?	**$5,900** person/**$11,800** family in-network per calendar year.	Generally, you must pay all the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of deductible expenses paid by all family members meets the overall family **deductible**.
Are there services covered before you meet your deductible?	Yes. Prescription drugs, **Preventive** Services, and office visits are covered before you meet your **Deductible**.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost sharing** and before you meet your **deductible**. See a list of covered **preventive services** at **https://www.healthcare.gov/coverage/preventive-care-benefits/**.
Are there other deductibles for specific services?	Yes. **$2,500** per person for prescription drugs. There are no other specific **Deductibles**.	You must pay all of the costs for these services up to the specific **deductible** amount before this **plan** begins to pay for these services.
What is the out-of-pocket limit for this plan?	**$9,100** person/**$18,200** family in-network per calendar year.	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met.
What is not included in the out–of–pocket limit?	**Premiums**, **balance-billed** charges, **preventive services**, healthcare this **plan** doesn't cover, and penalties for failure to obtain **preauthorization** for services.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. To find an in-network SelectHealth Med® **provider** visit **selecthealth.org/findadoctor** or call Member Services at 800-538-5038.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the **plan's network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a provider for the difference between the **provider's** charge and what your **plan** pays (**balance billing**). Be aware your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

* For more information about limitations and exceptions, see the plan or policy document at selecthealth.org/contracts?I30A1831.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
